As a photographer I seek those fleeting moments of light that can turn landscapes into dreamscapes. With my camera I strive to capture that light and preserve those moments for everyone to enjoy.

## FROM THE RECTORY

### A NEW YEAR - A NEW RECTOR

On Sunday 14 December it was announced in all the churches that **Rev'd Canon Stephen Batty** who is currently Vicar at St Aldheim's, Branksome in Poole has accepted the call to come to the Bride Valley with his wife **Frances** to begin a New Ministry amongst us.

As we prepare for this New Chapter, God's Word says: ***Pray for your leaders, honour them, and follow their faith.*** May the Lord give us a New Vision as we together in this Benefice look forward to this New Path in our spiritual journey. ***'Behold I will do a New Thing' says the Lord.***

Stephen asked for the following to be read at all the churches on December 14th

*'As the season of Advent enters its second phase, I send greetings to each of the Parishes of the Bride Valley and the two schools. Each and every Advent and Christmas celebration points beyond itself to the unfolding of the mystery of Jesus' deep involvement with our lives - for me, marking Advent at St Aldhelm's for the last time means anticipating what lies ahead in a ministry in the Bride Valley during 2015.*

*My wife Frances and I look forward to getting to know each of the communities in Shipton Gorge and Long Bredy and Littlebredy and Litton Cheney and Swyre and Puncknowle and Burton Bradstock and Chilcombe and to helping shape our common life together into an expression of Jesus' peaceable kingdom.*

*Peace and Good Will to all in the Bride Valley...*

*Reverend Canon Stephen Batty, Branksome, Poole. December 2014*

## FROM THE REGISTERS

A service of Celebration for the life of **Mary Teresa Fitzpatrick** was held on Friday 7<sup>th</sup> November at St Mary's Church, Puncknowle. The church was filled with family, friends and neighbours who had come to say 'goodbye' to Mary. The mourners were led by her partner John and her 3 children.

Following this service Mary was taken to Weymouth Crematorium where Father Richard Meyer officiated for the committal, in order to honour Mary's Roman Catholic roots.

Mary was born in County Mayo, Ireland in 1936 and came to Newcastle in England when she was 17. She spent much of her life in Salford and Milnrow, where she met John. Together they moved to Puncknowle around

15 years ago, and have been very active members of the church and community here.

Mary had a generous spirit and was much loved. She will be sadly missed by friends and relatives alike and will remain forever in our hearts. The last few months of Mary's life were hard for her to bear, and in our sadness we can be glad that she has now gone to be with her Lord, where suffering is no more.

*'Death will be no more; mourning and crying and pain will be no more, for the first things have passed away.'* (Revelation 21)

*Yvonne Buckland*

On 17<sup>th</sup> November, following a simple committal at Weymouth Crematorium, Burton Bradstock Church was packed with people who had come to give thanks for the life of **Graham Rees**.

Graham was a faithful church member and a devoted family man, who touched many lives. He was modest about his sporting achievements, although he retained his love of rugby, and greatly enjoyed his golf. As a Welshman, Graham would have been impressed by the singing, particularly the final hymn, *Guide me, O thou great Jehovah*.

We have commended Graham to God's loving care, and pray that he may rest in peace and rise in glory.

## LITTLEBREDY

VILLAGE CORRESPONDENT:

email: [pwbridehead@btinternet.com](mailto:pwbridehead@btinternet.com)

Tel: 482232

**A VERY HAPPY AND FULFILLING NEW YEAR** to all Littlebredy residents past and present, and we hope there has been an enjoyable Christmas period for all.

There were no significant upheavals at the **Social Club's AGM** in November, but **Jacqui Moxom** has accepted the post of Membership Secretary, and she will be hoping to collect subscriptions at an opportune moment.

The Club's first event in 2015 will be another **Burns Night celebration** on **Saturday 31st January**. The Hall and bar will be open from 7.30, and the haggis supper (there may be an alternative available for the squeamish) will be served at about 8.00 p.m. If you would like to come, please let **Mandy Wilkinson** know in advance: 482550.

The catering will be in the hands of **Christine McFadden**, whom we congratulate on two recent accolades. To be a finalist in the British Cookery School's "Best Use of Local Produce" awards competition is good enough, but to come second overall in the rival UK Cookery School's national "Best Cookery Tutor" category is simply excellent. Very, very well done.

### SURVIVING WINTER APPEAL 2014/2015

Surviving Winter Dorset is an annual campaign which raises donations for elderly and vulnerable in the county. The appeal is encouraging people who receive, but do not need, their Winter Fuel Allowance to donate it in order to help the elderly stay warm and well over the winter months.

Statistics show that on average there are 500 cold weather related deaths every year in Dorset, with the majority of casualties being over 65. Only one in 100 excess winter deaths is caused by hypothermia, however a large percentage of deaths is due to exacerbated health conditions. Social isolation and transport in rural Dorset can be a real problem for the elderly in the winter months too.

## LITTERED LITTON

Places never look their best in the winter months, but the one thing we can do is attempt to keep down the litter. Please, if you come across litter in the village pick it up and either take it home or find a bin to put it in. Thank you for your help in keeping our village and surrounding area tidy. If you are a dog walker, you know what needs to be done, no question.

Thank you to all who came and supported this worthy cause which resulted in the laudable sum of **£259** being collected and passed on.

## LITTON CHENEY SOCIAL COMMITTEE 2014 REVIEW & 2015

As the Committee reviewed the 2014 events we have been very encouraged and pleased by your support during the year. There was the usual incredible turnout for the **Duck Race**, despite the brief interlude of "weather for ducks"; the keen/competitive interest in the **Navigational Challenge** (Thanks **Clive** and friends); the lively and very social **Village BBQ** with **Weird and Gilly**; the wacky **Skittles Evening** at **The White Horse**; together with the quarterly **Village Walks** (thanks **Steve**) and **Carol Singing** around the village in December.

Not surprisingly we have decided to keep all the above for 2015, dates in the next BVN and on the website, and are also exploring a couple of new additions. We are always keen to hear of and support any new ideas for events so if you have one do get in touch.

Whilst the committee plans the calendar, there are many willing volunteers who help at different events and in different ways. The Committee is very appreciative as we would not have such an active schedule without you so thanks for all for your help and involvement as we look forward to an equally successful 2015.

Happy New Year!

### ST MARY'S CHURCH PUNCKNOWLE CHRISTINGLE

This celebration of the light of Christ in the world will take place on **Sunday 25 January** at 11am with the collection going to the Children's Society.

### BOOK CLUB

In October, members bid a sad farewell to **Carol Bennett** who has coordinated the group since 2009. Carol has a caravan locally so we are looking forward to her return to the group when she is **here** on holiday.

This month we have read **'The House on the Strand'** by **Daphne Du Maurier**. This late work, published in 1967 is a psychological and supernatural tale set both in the 14<sup>th</sup> century and the 1960's. Du Maurier was clearly aware of and intrigued by the interest in hallucinogenic drugs at the time and the book can be read as a study of addiction. Some members felt that the characters were sketchy and unbelievable but others thought the writing economic and true to life. We all agreed that the further we read, the more we were drawn into the story and wished to finish it.

We do now have a couple of spare places in the group so if you like reading and discussing books we meet on the first Wednesday of each month at Puncknowle Village Hall from 7.30. Please contact **Michele Vassar** on 01308 897566 or by mail to [vassar14@gmail.com](mailto:vassar14@gmail.com) for more information.

### PUNCKNOWLE ART GROUP

Many thanks to **Maureen** who brought her encaustic wax irons and helped us to make some interesting pictures and cards.

**Marilyn Allis** brought her new range of large watercolour brushes for a demonstration and workshop. This stretched us and gave us all a challenge. On Jan. 9th we have our AGM at a member's house and on the 23rd we have a workshop with **Stephen Yates**.

## **SHIPTON GORGE VILLAGE SOCIETY DCA BEST VILLAGE COMPETITION 2015**

Ladies, Gentlemen and all children in Shipton Gorge,

I hope all of you had a good Christmas and will have a very Happy New Year. With the arrival of 2015 - Shipton Gorge is now back in the MAIN Category of the Village Competition.

With our wins in 2007 & 2009 we have been excluded from the MAIN competition and confined (for 5 years) to the Category of 'Previous Winners'. However, in each of those five years we have won a prize in various Categories, being Champions twice (2011 & 2014). A big 'thank you' to all the SG Organisations who have previously participated in the Competition.

Now, with the arrival of 2015 the MAIN category of the competition will see the return of Shipton Gorge. The anticipated 'DCA Best Kept 2015' timetable is as follows:

Preparation, planning and basic work on areas to be entered 1 Jan – 31 March; Entry into the competition as at 01 Apr or 01 May (to be confirmed). Entries to be in for participation by 01 Apr or 01 May (this is done by SGVS Committee)

DCA Judging of Village entries 01 May – 31 Jul

01 Aug – mid Sep 15, Judging discussions.

Mid September, announcement of all Results.

We have done extremely well over the years with particular entries from:

St Martin's Church and churchyard

Shipton Gorge Village Hall,

Shipton Gorge Heritage (the Orchard and Saunders Richardson Wood')

The Village Playing Field on Port Lane (SG Parish Council responsibility).

The Village Green on Brook St

The New Inn (NISL and Landlady)

SGVS will, of course, be consulting with all those Organisations listed above, early in the new year. Hopefully, they will be willing to be entered into the 2015 Competition again.

### **VILLAGE PARTICIPATION**

We have done supremely well in this competition and we are sure it can be repeated again. *Other parts of the Village which are also judged are :* The

Noticeboards, general cleanliness and (absence of) Litter, 'up to date' Notices, Signposts, Paintwork, Condition of Benches... etc - which will all be carefully assessed. Please do your bit and keep these areas tidy for the competition. Further details will be published in future editions of the BVN as they become available.

## WASSAILING - SHIPTON GORGE HERITAGE

Join Shipton Gorge Heritage in a wassailing evening including wassailing the apple trees in the Orchard on **Saturday 17th January** commencing at 7.30 in the Village Hall. More details will follow in a flier. If you are interested in attending, please contact **Hilary Cunningham** on 897928.

## MINISTRY OF ENTERTAINMENT - NORMAL SERVICE WILL BE RESUMED

*Artsreach*

SHIPTON GORGE VILLAGE HALL SAT 7th FEBRUARY 7.30 pm

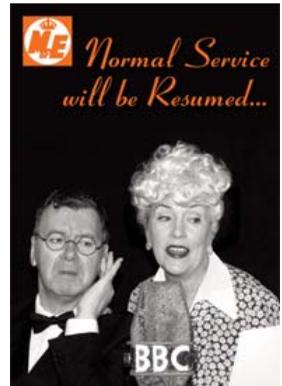

Many of you will fondly remember **Mrs Gerrish's Guesthouse** which the theatre group '**Ministry of Entertainment**' performed to rave reviews for us some years ago. This is their latest show, which I am confident will be equally entertaining and just what is needed during these long winter nights.

It's 1962 and things are not looking good. Kennedy and Khrushchev are about to collide over Cuba, but the real trouble is brewing thousands of miles away, deep below the surface of Bristol. In a top-secret location, Skippy Catford, the ninny in the pinnie, cheerily mops away twenty years' worth of dust and grime from the BBC's emergency wartime studio. She hums the latest Brenda Lee whilst daydreaming about Stanton Drew, everybody's favourite velvet-voiced celebrity.

When the Cold War suddenly heats up Stanton and Skippy are trapped underground with nothing but a pair of coconut shells and a swanee whistle to keep themselves amused.

A whole bag of spanners drops into the world of 'Auntie' and Listen With Mother will never be the same again as MoE bring their songs and comic theatre to bear on the Cold War.

Don't miss out - our last Artsreach show had a waiting list. Tickets are available from **Doris Benselin** on 01308 897562 for £8 each. This show will be seated in traditional theatre style and ice creams will be sold in the interval! Hope to see you there.

As a result of the above **Poppy** and **Ingrid** have been volunteering at the library and have writing reviews for both teenage and children's books and this is one of the first they have done.

### THE FISH IN THE BATHTUB

The fish in the bathtub is a children's book about a small girl finding a surprisingly fishy friend that lives in a bath! I would recommend this to any children from the ages of 5 to 10 and think that they would enjoy it and maybe want a fish in their bathtub themselves!

## DAPHNE HEWLETT

Vincent and all the family of Daphne Hewlett wish to thank all of her dear friends and neighbours for their support and kindness during Daphne's short illness and following her peaceful death at home on 1st December. They were touched by the many cards and expressions of sympathy that they received.

Daphne loved living in Burton Bradstock, fulfilling her retirement dream of living by the sea in a village community. She loved her house and garden and took great pride in using home grown flowers and foliage when creating a floral decoration for the church. She enjoyed the opportunities for other local activities including the good natured competition at the craft and flower and produce shows, the friendships and stimulation of the painting classes and of the WI. She had so many friends here and she loved being a part of a supportive, loving and fun community.

She will, we know, always have a place in many of your hearts.

## VACANCY FOR BURTON BRADSTOCK FLOWER AND PRODUCE SHOW

A vacancy will occur in 2016 for an organiser to take over the running of the Burton Bradstock Flower and Produce Show. The event is held in the middle of July and the organising of it commences at the beginning of the year. The person who volunteers would have the support of a sub committee with vast experience of organising the event in previous years and they could also shadow me, the current organiser, as this year's arrangements are made.

If you are interested in taking over this position and would like further information please contact **Colin Clark** on 01308 897412

## BURTON BRADSTOCK W.I.

WI members and friends enjoyed a visit to the Christmas Market in Bath at the end of November. There were over a hundred wooden chalets in the streets around the Abbey, all with a Christmas theme; some were selling hot food and drink, to revive the shoppers. Sherry and mince pies were served to our party on the way back!

In December, the Christmas Lunch at the Golf Club was very enjoyable. The following day, the Group Carol Service took place at Holy Trinity, Bothenhampton. The Bride Valley Ladies Choir set the mood beautifully with some special carols.

The first meeting of the New Year will be on Tuesday 13th January, when

we will be choosing a resolution for the National AGM, and hearing about Memory Albums and Scrapbooks. There is also a trip to “The King and I” in the offing, and plans for some new afternoon activities.

Any woman living locally is welcome to come to some meetings before deciding whether to become a member (contact secretary, 898484).

## VALLEY NOTES

### BURTON BRADSTOCK CE VC SCHOOL

As I write this report on the 9<sup>th</sup> December the school is buzzing with Christmas activity. Each class is busy making crafts to sell at our Christmas Fayre, children are busy learning their lines and songs for the Nativity and Carol Service and the adults are worrying whether everything will get done by the end of term. But it will - it always does!

It has been a very long and busy Autumn term with the children fully embracing the new National Curriculum and the 'Forest School' Learning Quest. This half term the children have also enjoyed taking part in different sporting events such as the **Multi-skills Festival** at Colfox for our younger children and the **Netball Tournament** where our school team were proud to come **fourth** out of all the schools in the **Bridport Pyramid**.

As always the children put a lot of effort into '**Children in Need**' coming into school 'spotty' and raising over **£170** for Children in Need.

In December we enjoyed singing carols at Bucky Doo Square during Bridport's Late Night Shopping Evening and taking part in the Christmas card competition which was organised by the village library. Well done to the winners **Masha, Elsie, Jake and Freya**.

As you read this report in January the festive celebrations will be over, the costumes packed away but no doubt the carpets will still twinkle with glitter. We will be looking forward to a successful 2015 and all that the new year brings, including our new Learning Quest entitled 'How It Works' which starts with a Puzzle Challenge Day in the first week.

The staff and children of the school wish you a very happy and healthy 2015!

*Claire Staple, Headteacher*

## THORNER'S CE VA SCHOOL

### Visits and visitors:

Bruce Upton from the Bridport Museum talked to the children about life at home during

the **Great War**. Bredy and Eggardon thoroughly enjoyed their trip to the Poole Lighthouse Theatre to watch '**Horrible Histories**' – and learned a lot as well!

Bredy went to the **Tutankhamun Exhibition** in Dorchester as part of their History topic on the Egyptians. They also visited St Mary's Church, Litton Cheney, to enrich their RE topic.

Chesil went to Colfox for a pyramid Key Stage 1 **multiskills** festival. Chesil and Litton are enjoying 'Games with Grandparents' every Friday. Children and grandparents have had a wonderful time!

Some of our School Council representatives attended a pyramid meeting of pupil **Anti-bullying Ambassadors** at Colfox and also a Youth Town Council meeting at Bridport.

We won the pyramid High 5 **Netball Tournament** at Colfox! We played 7 matches, one against each of the primary schools, and did not lose a single one! Well done, team! Several children had a great time at the **cross country** event at Symondsburry.

Several Eggardon children took on the **Primary Maths Challenge**, which encourages using maths to solve real life problems.

Children decided they wanted to raise funds for Save the Children by bringing in £1 for a **'Wear a Christmas Jumper'** day.

Our School Council tuck shop continues to be very popular!!

**100 Club winners** for November are:

- £15 Giles Maltby
- £10 Rosie Hallett

*Jyotsna Chaffey, Headteacher*

### BRIDE VALLEY WI

We had a fabulous festive time in December with a stall at the Puncknowle Swyre & West Bexington Village Hall Christmas Fair where we sold member-made goodies, then a festive recipe share at our December meeting with a brilliant prize draw.

In **January** subs are due for renewal and we will banish the winter blues with **African Drumming** with **Ralf Cree** of **Magic Drum**. This is an open meeting and visitors (of all genders!) are very welcome at £5 per person. **DORSET RESIDENTS** are being asked for their views on **possible money-saving changes to the county's household recycling centres (HRCs)**.

The Dorset Waste Partnership (DWP) provides 11 HRCs for residents to recycle a range of household materials that cannot be put in their bins.

In response to continuing financial pressures on the DWP and its seven partner councils, the partnership is looking at a range of options to make its HRC service more cost-effective.

Residents are being asked to say how they might be affected by the following options:

- Closing one or more HRCs. (Potential savings up to £100K a year per site)
- Charging for entry at one or more HRCs instead of closing them. (Potential savings £65K a year per site)
- Closing all HRCs for two or three weekdays. (Potential savings up to £300K a year)
- Charging residents to dispose of non-household materials, such as DIY waste and tyres. (Potential savings £250K a year)
- Charging Dorset residents to use their HRCs in neighbouring areas, which the DWP currently subsidises. (Potential savings £70K a year)

Residents can read the consultation information and complete an online questionnaire at [www.dorsetforyou.com/hrc](http://www.dorsetforyou.com/hrc). Those unable to go online can pick up a questionnaire at the main borough, district and county council offices, all HRCs and libraries in Dorset.

The consultation starts on **Wednesday 26 November** and will finish at midnight on **Friday 13 February 2015**.

## **BRIDE VALE CRICKET CLUB.**

There may be some in the valley who do not know that they have a local cricket team. Reports of its progress have recently no longer appeared in summer editions of the magazine, and its home ground is about as Far East in the valley as it is possible to get – in Littlebredy.

However, the Bridehead cricket ground must be among the most picturesque cricket fields in England, with a well-appointed pavilion, and the Bride Vale Cricket Club plays mainly Sunday afternoon friendly (i.e. non-League) fixtures there against local villages and visiting or touring teams.

The Club is always interested in attracting new players, supporters and spectators, and anyone interested in making themselves known or finding out more is encouraged to contact Cliff Payne or Brian Earl on 07971 229797 or [brianearl53@btinternet.com](mailto:brianearl53@btinternet.com)

Later in the winter, a **skittles evening and pub supper, also at the White Horse, is planned for Friday 27th March**, and newcomers as well as existing members will also be very welcome. Please note both dates in your diary if you value the future of rural village cricket.
