## FROM THE RECTORY

Christians delight in depicting the great events of salvation history. So we wear crucifixes to remind ourselves of Jesus' death on the cross. And we send Christmas cards depicting nativity scenes to remind people of the incarnation, God stepping into our world as a tiny baby, coming to live amongst us, and share all our life's experiences, its joys and its sorrows. Easter, the resurrection, is rather more difficult to depict. Some great artists have had a go. There's the wonderful Graham Sutherland painting 'Noli me Tangere' of Mary Magdalene meeting Jesus (who she mistakes for a gardener) outside the tomb on Easter morning, Caravaggio's atmospheric depiction of the disciples eating supper at Emmaus and realizing that their guest was Jesus himself, and both Rembrandt and Rubens have given us portraits of Doubting Thomas touching the wounds in Jesus' hands and side.

Perhaps the most powerful of the depictions of the Easter story is a portrait in words, an allegory aimed at children, but which has captivated adults also. I'm referring to the work that comes from the pen of C S Lewis, 'The Lion, the Witch and the Wardrobe.'

For those of you who've never read or who have forgotten this book the story, briefly, goes like this. Four children, Peter, Susan, Edmond and Lucy get into the enchanted land of Narnia through the back of a wardrobe. Narnia is a land under the enchantment of the White Witch where it is always winter and never Christmas. There they are met by Mr & Mrs Beaver, who recognise them as those who could fulfil the prophesy that when two sons of Adam and two daughters of Eve sit on the thrones at Cair Paravel, the White Witch's reign would be over. Edmond has already entered Narnia and been seduced into betraying his brother and sisters to the White Witch by the promise of Turkish Delight. When it's discovered that Edmond has slipped out into the night, the rest of the companions journey to meet up with Aslan, the Lion, King of the Woods and his troops. Edmond soon realizes that he has made a big mistake in allying himself with the White Witch, and that his life is in grave danger. He is rescued, but at great cost: Aslan dies, a willing victim in his place. Later he rises from the dead, battle is joined and the White Witch defeated. The children are duly crowned Kings and Queens at Cair Paravel.

C S Lewis's story is an allegory of the Holy Week narrative. Edmond is a traitor, like Judas Iscariot, slipping out into the night. Aslan, like Jesus, dies

an innocent victim, but death cannot hold him because of his innocence and he rises from the dead. It is the girls who accompany him as he goes to his death and they meet him first after his resurrection, just as the women stayed at the foot of the cross and were the first to meet the risen Christ. And despite Aslan's defeat of death there is still work to be done in building the new Kingdom. So we too are called to join in God's work of Kingdom building right here in our own communities.

I hope you feel inspired to revisit this classic yourselves. It's a delightful story and an inspired allegory. But most of all, it takes us deeper into the mystery of Christ crucified, Christ resurrected; Jesus Christ the Saviour of the World.

## Donation to the Soul Midwives School

Dear All,

I'd like to say a very big thank you for the donation given to the Soul Midwives School in memory of Rev Stephen Batty at Xmas. I was so touched by your kindness and generosity and have plans to put the money towards streamlining and updating our referral service.

Soul midwives are non- medical holistic and spiritual companions to the dying and their families. We are non denominational but work with people of all faiths (and none) and we complement the medical care they are receiving, offering soothing techniques to help with and pain and anxiety as well as providing companionship and support based on deep listening and pastoral care.

We work with "friends" often from point of diagnosis right until the end, often vigiling at the bedside , especially if the dying person has no one to sit with them.

Once again, thank you so very much,

Warmest wishes

**Felicity Warner**

**Founder of Soul Midwives**

## VALLEY LUNCHES

After the winter break it was good to meet old friends again at the March meal. Susan's arrangements of garden flowers decorated the tables and made us feel that Spring had arrived. Some new people joined us, which is always a great pleasure. Several regulars missed out because of illness or holidays, but hopefully all will be able to come to the **next lunch on May 5th. ALL are welcome**, residents and visitors alike (don't know why 'church members' were crossed out last time, as they are also welcome). There is no charge but, if you wish, bring a little cash to purchase items from Liz Orza's Fairtrade stall.

We do ask all who come to bring some contribution - sweet or savoury, or both - for this shared meal. Filter coffee and tea (and de-caff options) are provided.

**Please note in your diaries that future Valley Lunches are planned for July 7th, September 1st, and November 3rd.**

For further details please contact Cilla (898473) or Heather (8897780)

The Gardening Club A.G.M. will be held on **Monday 15<sup>th</sup> April at 7.30pm**. This year we are hoping to recruit new members to the committee following the retirement of our Chair, Treasurer and Programme Organiser. This will be followed by a talk on 'Gardening for competitions – tips from a judge' by Cyril Whitlock. All visitors are welcome to join us at the Village Hall in Puncknowle, entrance £2, annual membership £6.

On May 13<sup>th</sup> Pauline Jones will be speaking on 'Year round colour for every garden'

### Jobs to do in April

Plant summer-flowering bulbs. If you buy plug plants keep them growing vigorously by regularly potting them on into larger pots. Keep container displays watered. Cut back over-wintered pelargoniums and use the material for cuttings to make new plants. Divide Hostas to reinvigorate them. Keep sowing hardy annuals for colourful summer displays. Plant out Mediterranean herbs e.g. rosemary and oregano in free-draining soil; sow annual herbs indoors. Remember when potting on tomato seedlings, plant them deeper than they were to encourage new roots from the stems. Sow beetroot, cabbages, carrots, chard, leeks, peas, radishes, spinach and lettuces outdoors; sow celery, melons, sweetcorn, runner and French beans under cover.

Cilla Jones (Secretary) 898473

### Bride Valley WI

Our Committee reported a successful year when the members met for the AGM in February and presented a full programme of meetings for the coming year starting in March with Spring Crafts and seasonal food tasting.

Unfortunately the Skittles team lost their semi-final match against a team from Walditch but it was a good evening with a very friendly group of ladies and we wish them every success in the finals.

New members to our WI are very welcome and the first meeting is free so you can come and meet us and get an idea what our WI is like and what activities we organise. We meet on the 3rd Thursday of the month at

Puncknowle Village Hall unless our activities take us out .

**For further information please contact Nic Arundel** on nicarudel@gmail.com or speak to any of the committee **Debbie Legge, Christine Pacey, Meryl Edwards or Charlotte Kinghorn.**

### **A Social Club for the Visually Impaired**

Bridport Blind Club is a social club for the visually impaired people of Bridport and District. Though we are known as the Blind Club almost all our members have some sight. We meet twice a month for music, speakers, trips or games followed by an afternoon tea.

If you are interested for yourself or someone else who is visually impaired, please get in touch. We can generally provide transport to meetings. We are supported by our volunteers and the volunteer drivers from Brit Valley Rotary Club, Bridport Lions, Bridport Rotary Club and the Beaminster Drivers and by our link with Dorset Blind Association. ## Tea & Chat at Portesham Surgery

The Friends of Portesham Surgery are holding a **Tea & Chat on Thurs 4<sup>th</sup> April from 2pm to 3pm**. It's an opportunity for patients to come and talk to the staff and friends and learn about how the "FoPS" support the surgery and hear of any concerns or suggestions. It happens to fall in Diabetes Prevention Week so there might even be some diabetic-friendly cake on offer!

The Friends meet regularly and aim to have a representative from each main village to work closely with the Surgery staff, helping to provide feedback from patients to improve the work and smooth running of the Surgery. To fill the vacancies, the Friends are looking for volunteers from Abbotsbury, Martinstown, Winterbourne Steepleton and West Bexington and would particularly welcome volunteers with young families.

Various projects are underway such as gardening and decorating as well as producing a leaflet on how to contact local activities, clubs and services including those which offer home visits which may be of benefit to house-bound patients, e.g. toenail cutting and opticians. If you know of anything that could be included, or would like more information, please e-mail [enquiries@friendsofporteshamsurgery.co.uk](mailto:enquiries@friendsofporteshamsurgery.co.uk). The leaflet will be available at the Surgery very soon!

If you represent a club or service which is looking for custom, why not come along on April 4<sup>th</sup> and promote it!

### Double your money

Did you know that the Government will match every gift, pound for pound up to 2 million pounds until May 11<sup>th</sup>, sent to **Tearfund** for the present humanitarian crisis in many needy places like war torn Syria, or the slums of Pakistan?

**Tearfund** was set up 50 years ago by the Christian Churches nationwide, and its sterling work is recognised by its inclusion in the Government approved Disasters Emergency Fund.

Please send your Lenten gifts to Tearfund either online at [www.tearfund.org/doublegift](http://www.tearfund.org/doublegift) or by calling 020 3906 3906 or by post to Tearfund, 100 Church Road, Teddington, TW11 8QE

**Thank you**

## Our Night Sky in April 2019

Jupiter is rising in the east about midnight in the middle of the month, followed by Saturn, Venus rises in the East about 0500, but will soon be lost in the dawn light. Meanwhile, Mars is still visible in the west after sunset, and will be setting in the North West at about 2300. It is much fainter now than it was earlier in the year.

Spare a thought for the engineers and scientists who provide us with such brilliant images from the far reaches of our solar system and beyond, when one of their spacecraft comes to the end of its life.

We remember the glorious pictures that Cassini sent back from Saturn, before being guided to a fiery death in Saturn's atmosphere. The same fate also occurred to Galileo which was sent into Jupiter's clouds when it ran out of fuel, both spacecraft destroyed to avoid the possible contamination of one of their parent's moons.

When you consider that the people involved with these missions have spent most of their working lives to bring about a successful conclusion to their hard work, all of which could have been destroyed at launch. But then, to have watched their "babies" mature and carry out astonishing science must give them tremendous pride, and give them some compensation for the sadness when the end inevitably comes.

The latest such spacecraft to finish its days, albeit after considerably longer than its expected 90 days, 15 years to be exact, and travelling 28 miles instead of the few yards its makers had hoped for.

This was the Mars Rover, Opportunity, whose arrival cushioned by balloons 15 years ago was the start of its exploration. It was accompanied by another Rover called Spirit which lasted 6 years, but died in a sand dune on the opposite side of Mars. Many of their discoveries pointed to the existence of water in the distant past, an essential requirement for life as we know it, and other spacecraft planned or already on their way, hope to establish once and for all whether life did exist in microbial form in the past, or if the existence of Methane plumes are caused by some life form now.

Mars has always been a planet of fascination for us on Earth, and is likely to provide even more questions and answers in the coming years.

## THORNER'S CE VA SCHOOL

I am delighted that our **Ofsted inspection** has said that we continue to be a good school. Thank you to our parents, staff and governors for their huge support during and after the inspection. It was so evident to the inspector that everyone in the school community works together for the benefit of our children. He commented that the children are confident, 'enjoy learning and are proud to attend the school.' The children had an out-of-uniform day as a treat for their superb attitudes and confidence!

We were treated by Eggardon to a fantastic **play on the Trojan war**. The narration and acting was so excellent that we were all transported to that time and place. Even the younger children watched, mesmerised. An amazingly moving and confident performance. Our **Ethos Council** acted out the Bible story 'Daniel and the lions' to demonstrate the half term value 'truthfulness'.

Some Eggardon children participated in after school **orienteeing** at Thorner's. The whole school continues to have **dance** coaching. Bredy participated in the pyramid **dance festival** and went to the **Weymouth Outdoor Education Centre**. Litton and Chesil had a taster **cricket** session and mapwork and orienteeing workshops by the **Weymouth Outdoor Education Centre**.

The houses competed in a **pancake race** – Edmund Hillary house won!

Bredy's light and shadow experiment

Thanks to Caroline and Freddie (the dog), Chesil children are enjoying **reading with a dog** every week. Everyone loves it! We are hoping that this initiative will increase the children's enthusiasm for reading, with or without a dog!

**Eldora the goat** visited the Discovery Area to help Chesil, Litton and Fledglings children with their writing and storytelling about the 'Three Billy Goats Gruff'!

**TSA cake sale:** The TSA ran a Bredy cake sale. There were lots of cakes brought in and sold!

## BURTON BRADSTOCK CE SCHOOL

The second half of the Spring Term has been awash with exciting experiences for the pupils through the new creative curriculum.

**Our Reception class** are investigating **'Are we there yet?'** and have been on a fantasy walk around the village spotting such things that only young eyes can see – there were mermaids at mermaid beach, a fairy forest, a dragon field and a troll bridge!

**Our Key Stage 1 class** are palaeontologists this half term with their topic **'Dinosaur Planet'** and they have been uncovering amazing finds.

**'Gods and Goddesses'** is the topic in our **Lower Key Stage 2 class** and they are looking forward to their dress-up day at the end of term.

Finally, **Upper Key Stage 2's** topic, **'Revolution'**, involves exploration of life in the Victorian era, and they were transported back in time with a **'Victorian Day'** at the start of their topic.

Continuing the theme of dressing up, the school again celebrated **'World Book Day'** by coming into school

dressed as a book character. We had various characters from the Harry Potter books, a few Peter Rabbits and so much more! The staff also joined in the fun and dressed up as characters from a variety of fairytales.

In the Summer it will be the 50<sup>th</sup> Anniversary of the Apollo landing on the moon and the Minerva Learning Trust, of which we are a part, are working on a joint project. We are lucky to be working with Geof Edge, a singer songwriter, who has written a cantata all about the Apollo landing. He has visited the school and worked with our choir in preparation for a musical performance at Colfox in June. Not only was Geof an inspiration to our choir but he also performed to the whole school who were mesmerised by his storytelling and musical talent.

In the run-up to Easter, and as part of Lent, the school is taking part in the 40 Acts of Generosity Challenge. Instead of the traditional 'giving something up for Lent' we will be carrying out an act of kindness each day

for the 40 days of Lent. The children have really embraced this challenge and are busy ticking off the acts of kindness from their lists!

Next we are turning our attention to the Dance Festival at Freshwater, our KS2 residential trip to PGL Osmington and our Easter Service, which will be held at St Mary's Church at 9.15am on Friday 5<sup>th</sup> April.

The Friends of the School are also busy as they are organising the **Annual Duck Race**. This will be taking place on **Sunday 14<sup>th</sup> April** this year on the village playing field. Duck numbers are available to purchase from the school and from various businesses around Burton Bradstock. There will be stalls from 1pm with ducks away at 2pm.

**Happy Easter!**

**Claire Staple  
Headteacher**

## St Mary's Church

The Annual Church Meeting will take place on Thursday 11<sup>th</sup> April at St. Mary's at 7.30 p.m. All are welcome, but you may only participate in any vote if you are on the recently updated Church Electoral Roll.

On Easter Sunday, 21<sup>st</sup> April, our service of Holy Communion at 9.30 a.m. will be taken by The Bishop of Sherborne, The Rt Revd Karen Gorham.

### Parish Council – Village Assembly & Annual Meeting – Tuesday 14<sup>th</sup> May

This year's Village Assembly will be held in the main hall of LATCH on Tuesday 14<sup>th</sup> May at 7 p.m. The Assembly will be followed by the Annual Meeting of the Parish Council. It is an ideal opportunity to find out what is going on in your village and also to ask councillors questions or raise an issue of concern.

### Local Elections for the new Dorset Council and Parish Council

Local elections will be held on Thursday 2<sup>nd</sup> May. It is not known at this time if there will be elections for the parish council – that will depend on the number of nominations received. Any number of nominations above seven will result in a parish council election, in addition to the election being held for the new Dorset Council. Your Polling Station will be the meeting room of Litton and Thorner's Community Hall.

### Village Litter Pick – Stand-by; your assistance is requested.

Along with many other villages and towns in the UK we are joining the Spring Clean campaign supported by Keep Britain Tidy, the intent being to litter pick through the entire village over a number of days and we'd like your help to achieve this. During April in the lead-up to the Easter holidays we will be leafletting houses in the village informing local residents of plans to clean up a particular section of the village, and if you are able join us on what will be a mammoth community effort to rid the village of unwanted debris along our highways and byways that would be wonderful. All the details will be in the leaflet coming through your door in April, and on the village website – please join in.

## Thorner's School's Ofsted Report

Congratulations to our village school for receiving an impressive "Good" assessment by Ofsted inspectors. That is thoroughly deserving of a hearty Bravo Zulu – Royal Navy signal code for "Well Done!"

## Regeneration Project

We continue to develop ideas for the regeneration of the area around the bus shelter, and we will be presenting those ideas at the Village Assembly on Tuesday 14<sup>th</sup> May.

### **First Aid/Defibrillator Training**

On Thursday 21<sup>st</sup> February a group of 12 villagers from Litton Cheney and West Bexington met at Litton and Thorne's Community Hall to learn the basics of CPR and how to use a defibrillator.

The training was given by James Irvine and Paul Barker of the Royal Life Saving Society. The evening taught us, or refreshed our knowledge of CPR as well as giving us hands on training in the use of a defibrillator, which was very re-assuring should we ever be called upon to use one.

As most local villages have a defibrillator it is essential that as many people as possible are familiar with it. Having some training and familiarity with the machine hopefully will allay some of our fears on its use.

The training lasts around 2 hours and is free. If anyone would like to attend a future course in April or May please contact Bev Robbins on **01308 482497** or email [bevrobbs@btinternet.com](mailto:bevrobbs@btinternet.com) and get yourself on the list.

This offer is open to anyone in the Bride Valley or beyond, but if you wish to set up a session in your village please contact James Irvine at [chesilfirsaid@gmail.com](mailto:chesilfirsaid@gmail.com) James will also teach a course on Paediatric First Aid if required.

### BSO's Concert in March – You missed a treat!

The BSO concert given by a trio of harp, viola and flute was a great success with around 70 people enjoying a scintillating high quality musical event. This was despite the electrical supply "outage", resulting in subdued lighting, but compensated by the high voltage performance on stage!

Many thanks to all who came and supported the concert, to Artsreach and the BSO for providing the opportunity, to the excellent musicians, and not least to Steve, Kathy, Diana, and Alison for organising the ticket sales and the evening.

### BOOK GROUP      March meeting

### Under A Pole Star by Stef Penney.

Most of us enjoyed this novel, especially its descriptions of the frozen north of the Arctic circle Greenland/ Ellesmere Island region. Some of us found the length (another almost 600 pages novel!) a bit hard going whilst others did not mind this and felt the narrative was propelled along with energy. Several of us referred to the author's previous novel "The Tenderness of Wolves" which was very successful a few years ago - also about the frozen territory in the far north of Canada. Some of the criticisms were about the "long arm of coincidence" employed in the plot - especially when

characters reconnect to complete “unfinished business” or turn out to have unexpected family links several generations into the future.

We felt the dialogue was a bit modern but that this helped to galvanise both plot and character. Some of us were prepared to forgive perceived flaws in exchange for the considerable canvas covered in this novel. 19C Scottish whaling voyages, early trading with the north Greenlander Inuits, whether a young woman could actually lead an arctic expedition, the tension between exploring for the purposes of Science and the more acquisitive and commercial enterprise of exploring hostile frontiers for future exploitation, an enduring love story and the tragedy of Inuits brought out of their environment, vulnerable to disease and illness of the “developed world”.

And there was much more.....! Anthropology may not have been regarded as a true science in the 19C but the novel nevertheless covered some fascinating details of Inuit culture.

## **PUNCKNOWLE ART GROUP**

We must say thank you to Jill who put in a great deal of preparation to give us a workshop on portraiture, which we all enjoyed.

Our workshop with Tracy Linwood was an imaginative use of crafters acrylics. Everyone had very interesting results and could carry this forward at home.

**On 12th April** we will have a workshop on using a hake brush, 26th acrylics on gesso.

We sent our poppy paintings to the Society of All Artists and a cheque for £35 for the British Legion who sent us a letter of thanks.

## St. Michael and All Angels

We send our sympathies to Ben Pentreath on the recent death of his mother. Judith had become a regular feature of village life, especially in Church at Festivals or when visiting The Old Parsonage, and she was laid to rest here on the 16 March. All condolences to Ben, his two brothers and his widowed father David.

The Church's **Annual Parochial Church Meeting will be held at Bridehead at 6.00 p.m. on Thursday 11th April.** This is open to all parishioners or anyone with an interest in the present and future of the village Church and its governance, and others in addition to the P.C.C. will be very welcome.

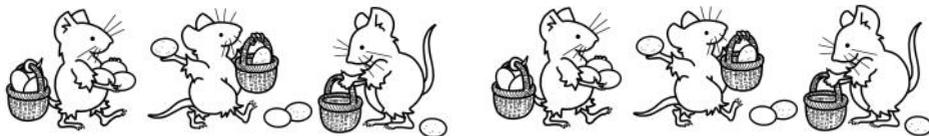

Looking forward to the Easter period, the first event will be the regular **Lent Frugal Lunch to be held at Bridehead on Friday 12th April.** Soup, bread and cheese and fruit will be on offer between 12.30 and 2.00 p.m. that afternoon, and we hope for a good (and generous!) attendance.

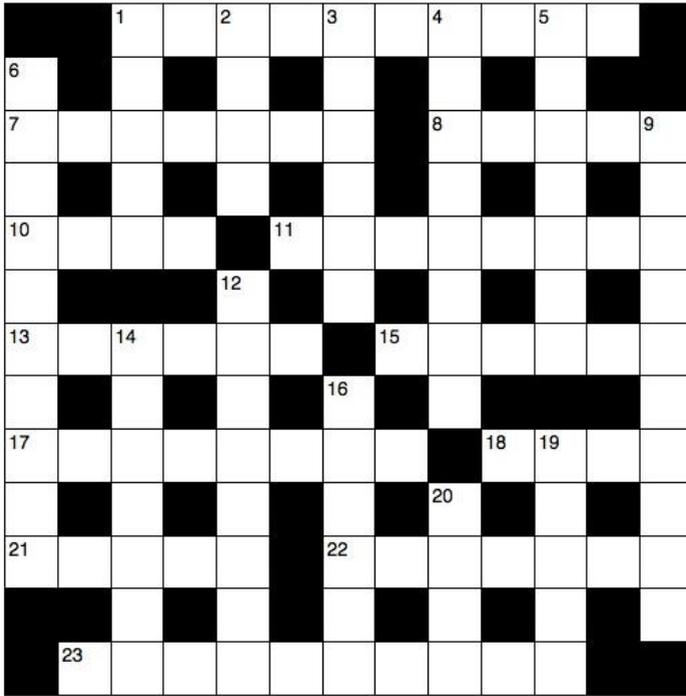

Contributions to the Future Roots Care Farm, near Sherborne, will be welcome – this encourages youngsters who are facing difficulties at school or in lifestyle choices to re-engage by contact with farming, animal husbandry and the countryside.

There will be the customary short said **Litany Service at 10.00 a.m. on Good Friday** (19th April), after which we hope a team of volunteers will help decorate the Church for Easter.

**On Easter Day itself, 21st April, the service in Church will be Holy Communion at 11.00 a.m.**

We wish a happy Easter period to all readers of the BVN.

Thank you to all those who've been helping out over recent weeks. We are especially grateful to Kate and John Kent for setting up the display at our Open Day. Your comments were very welcome and should help a new tenant to progress their business.

We are optimistic looking forward as there has been keen interest from a number of prospective new tenants. In the meantime we have enjoyed the welcome help of the FONI, Village Society, Good Eggs and others in running events and using the pub as a venue to ensure it stays open during the intervening period.

## FRIENDS OF THE NEW INN

Our True or False Night was won by David Smith who graciously accepted Pinocchio's Nose for his efforts. Apparently the photo has been committed to Social Media by his children and has gone viral. Thanks to Tim and Claire for looking after us on the night and all those who contributed to a superb buffet. We've been asked to run this idea again next year, anyone for a Winter's Tale?

Kate Kent has also hosted the first in a series of Coffee & Cake Mornings. She was joined by 50 Villagers and is now officially qualified as the Shipton Gorge Barista.

Never a lady to miss an opportunity Kate even managed to solicit a £1 donation from someone passing through who asked to use the loo. Well done Kate and thanks to the cake makers, coffee drinkers, dish washers, furniture movers and other helpers.

By the time you read this Sally Parker and Tracey Barclay will have hosted further Coffee and Cake Mornings with Simon Cleveland, Ann Hunt and others in the wings to continue this worthwhile venture. The list is as long as your arm!

Keep your ear close to the ground as a range of activities are planned. They can often be at short notice.

## SHIPTON GORGE HEDGEHOG GROUP

The first sightings of 2019 have already been recorded near Shipton Road. Please let us know if you have anything to report or wish to join our Group. We hope to carry out a footprint survey in early summer.

Fosterer Steve Larcombe's Hedgehog Gretel has now increased in size from 595g to healthy a 938g and will be ready for release once conditions improve. Gretel has been Steve's companion over this Winter and he'll have a tear in his eye when the release date comes. Our Group has followed the progress of Gretel on her journey.

## Burton Bradstock Films

The enthralling story of NASA's mission to land a man on the moon is the subject of our next film **FIRST MAN on Friday 26 April 2019** in the Village Hall. It may be unbelievable to many that all this happened fifty years ago. The story focuses on Neil Armstrong and the years 1961-1969 and is a first person account of the sacrifices and cost to Armstrong and the nation of what was at the time one of the most dangerous missions in history.

Winner of the Best Achievement in Visual Effects at the Oscars and best original score at Golden Globes this is a behind the scenes look at a slice of our history.

Doors open at 7.00pm for a 7.30pm start. Tickets are £5 each and include a glass of wine or a soft drink and will be on sale at Burton Bradstock Post Office or, if available, on the door on the night.

This film will be shown by Bride Valley Films on the following Thursday, 4 April.

## Burton Bradstock Village Society

On Friday April 12th at 7.30pm in Burton Bradstock Village Hall, Jane Ferentzi-Sheppard gives our final talk of the 2018/2019 season. She will talk about '100 Years of the House of Windsor from Saxe-Coburg-Gotha to Windsor'.

Jane is a professional family and local historian and tutor in Adult Education. She runs a variety of family history courses in Somerset and Dorset and talks to organisations all over the country. Jane is a regular speaker at the Society of Genealogists and the 'Who do you think you are?' yearly event at Olympia.

Jane will illustrate that it's not just on Jeremy Kyle you can learn about families, scandals, disposed wives and rotten husbands.

Come and enjoy hearing about the recent history of our Royal Family, with a glass of wine if you wish. Members pay just £1 on the door and non-members/guests £4.

## BURTON BRADSTOCK WI

February was another busy month for the  
Burton Bradstock WI.

Our speaker, Shirley Critchley kept everyone interested with her talk about HMS Wager, telling us details about its history and how the crew mutinied and the Captain committed murder after the ship was wrecked on a desolate island off the south coast of Chile – all very gruesome! Shirley took part in an expedition led by John Blashford-Snell to find the wreckage of the ship and had many photographs to show of her adventures. We were pleased to be able to give Shirley several pairs of unwanted binoculars, for which she had appealed and which will be used by game wardens to look out for poachers of elephants in Nepal – another one of Shirley's passions.

At the end of February, 21 members enjoyed a Pancake Lunch in the Village Hall – a first for our WI. There were choices of savoury and sweet fillings and they were all very tasty. We had a Pancake related quiz and the afternoon was rounded off with a somewhat hilarious pancake tossing race!

The Walking Group have enjoyed a walk from Weymouth, taking in the RSPB Discovery Centre and Lodmore Nature Reserve and the Kurling and Skittles groups have been continuing with their practices.

April sees us preparing for our AGM on 9<sup>th</sup>, at which we will be enjoying cheese and wine whilst reflecting on the past year and electing our committee members for the coming year. We shall also be looking forward to our Spring Lunch on 3<sup>rd</sup> April, when we shall be joined by guests from other local WI's plus our next Lunch Club trip to Broadwindsor Craft Centre on 17<sup>th</sup>.

Do come and join us – we meet on the second Tuesday of the month in the Village Hall at 7.30pm. (2.15pm during the Winter). We have a full programme of speakers throughout the year plus outings, theatre trips, meals out, reading, walking and activity groups, card players, Mah Jong and Skittles, not forgetting our new indoor kurling group. Something for everyone!

## BURTON BRADSTOCK PARISH COUNCIL

### Burton Bradstock Clean Up Day Saturday 13<sup>th</sup> April

Please come along to our annual clean-up day on **Saturday 13<sup>th</sup> April commencing at 10 am**. Meet at the Reading Room, please bring gloves, bags other equipment will be provided. All Welcome!

#### Play Area Project

Thank you so much for your donations so far, we are continuing with our search for grants and funds. We are also looking for volunteers to assist with fund raising ideas and events.

If you can get involved we would love to hear from you!

Please contact the Clerk for further information.

#### Issues raised and discussed at the Parish Council:

**Dog Poo issues-** We are still having issues with Dog Poo and used Dog Poo bags just left for others to pick up. There has been an increase of this happening on the playing field. This area is used by children so please pick up after you and put it in a bin. Also a reminder to dog owners to keep their dogs on leads whilst walking through the playing field via the footpath please! The PC are looking into highlighting un-picked poo using coloured sprays as done recently in a local project with some success.

**Light Pollution-** we want to discourage light pollution in the village. Would residents please be aware and turn off external lights when not required. Thank you

**Parking at the Toilets-** excessive parking at the toilets is still causing problems for those who need to use the facility and this will only get worse during the summer months with more tourists. Please park considerately.

**Emergency Plan-** the data gathering for the Village Emergency Plan is under way, if you would like to get involved please contact the Clerk.

**The Next PC meeting will be held on Wednesday 3<sup>rd</sup> April 2019 7.30 pm in the Reading Room. All welcome!**

**BURTON BRADSTOCK COMMUNITY LAND TRUST BEGINS HOUSING NEEDS SURVEY**

The Burton Bradstock Community Land Trust and Dorset Councils Partnership are working together to conduct an online survey to establish the need for housing in the village.

The survey will help to ascertain what kind of housing, including affordable housing, local people in the parish need.

The results of this survey, which runs from 22 March until the end of April, will help the Community Land Trust in planning for future development.

CLT Board Chair David Dixon said: “In order to progress with the CLT’s aims of providing new housing for people in need in Burton Bradstock, we need an up to date picture of the number of people in need and the type of housing they require.

“We would be very grateful if everyone in the village could take a few minutes to complete this survey by logging on to <http://www.dorsetforyou.gov.uk/housing-needs-survey> from **22 March until 30 April, even if they are already registered with Dorset Home Choice or Help to Buy South-West.**

“Board members are delivering information about the survey to households in the parish and we are very happy to talk about the survey and the CLT’s aims. Residents can also be able to request a paper copy of the survey if they are unable to complete one online.

“We hope that people will also buy a £1 share to become members of the CLT and have a say in the future of Burton Bradstock.

“With the survey results, we will be able to continue to evaluate possible sites for future affordable housing with current information about the numbers involved and the sort of development that will match their needs.”

Anyone who would like a paper copy of the survey or who has any questions should contact the Housing Enabling Team on 01305 252448, [housingadvice@westdorset-dc.gov.uk](mailto:housingadvice@westdorset-dc.gov.uk) or Burton Bradstock Community Land Trust on 01308 897603.

## BURTON BRADSTOCK PLAYERS

The Burton Bradstock audience watched “The Great British Bump-Off”, an interactive murder mystery by Lesley Gunn at the Village Hall in early March in style. The subject of the play being baking, the refreshments included a baked potato served between the opening scenes in Crabblebottom village hall and the Baking Competition staged in the tent “just like they do on the telly” superbly illustrated by a splendid back drop painted by John Worsley and featuring beautiful competition cakes by Jill Harper.

To keep the audience on their toes, the murderer was different on different nights. On Wednesday and Friday, it was the controlling husband played by Will Orsa, protecting his wife’s, Lynne Thomas, reputation as a baker and attempting to keep secret his theft of prize winning recipes from the Co-op. Thursday it was the pot growing user of “special ingredients” played by Vicky Thomas, to hide her criminal life style.

The Major, Ian Ibbotson with a curious accent, was the husband paying blackmail money to protect his wife from the evil tales told by the murdered acerbic Patricia, Liz Slater. Patricia was also blackmailing the celebrity Italian chef whom she knew by his real name, Eddy Angel, played with *gioia di vivere* by Mike Read. Caroline Fountain, Janet Tolputt, was the ardent fan of the chef, risking jail with a false confession of guilt to protect him. The teams who picked her were elated and then deflated when they realised their mistake. Detective Sam Nelson, Roy Perkins, with the help of villagers played by Lesley Keatley and Gill East, encouraged the audience to question the suspects and solve the crime. Constable Humphrey Walwyn was master of ceremonies and also produced the special cover of Celebrity chef, Eduardo D’Angelo’s book.

Congratulations to the director Cilla Jones on an entertaining evening and to all the supporting team, Prompt Daphne Ekins, Stage Crew John Tassell, Catherine Batten and Trevor Ekins and to all the front of house helpers.

The Players went on to present the play for the Dorset Federation of Women’s Institutes at the village hall in Charlton Down on Saturday.

This was the fourth murder mystery presented by the Players in recent years, the previous productions being “Murder at the New Vicarage”, “Good Deeds Deadly Deeds” and “Amdram is Murder”.

The Players’ last production was a combined play and musical performance commemorating the end of the First World war from which a donation of £250 has been made to the British Legion.

## Frugal Lunch

Very many thanks to everyone who helped or supported the lunch in any way at all and to all who enjoyed and made a donation for a 'frugal lunch' (soup, bread, cheese, fruit, cake, tea or coffee). The provisional sum of £265. 00, was raised for our charity for this year - Gully's Place. Information about this was included in last month's BVN. Any one who spoke to Hannah Howell, who is the Paediatric Advanced Nurse Practitioner and Lead Nurse for Child Death at the lunch, will know how passionate she is about this charity and how grateful for the amount raised to help families going through very difficult times of terminal illness and bereavement with a child.

## Village Spring Clean

Long Bredy & Kingston Parish Council will be holding the annual Village Spring Clean on **Saturday 6<sup>th</sup> April 2019**. We will meet at the **Village Hall** at **10 am**. Not only does this help keep our village looking lovely but it is also a great fun event and a good chance to meet up with neighbours and make new acquaintances.

Wear stout shoes, warm clothing and if possible bring strong gardening gloves and if you have one, a high visibility jacket or vest. Children are very welcome, and indeed encouraged, but due to the nature of the event they must be supervised by a responsible adult. If plenty of people turn up it will only take a couple of hours and it will be followed by complimentary light refreshments in the warm and welcoming Village Hall.

## Coffee Break

The next 'Second Saturday' Coffee Break is on **Saturday April 13th, between 10.30 and 12.00 in the Village Hall.**

This is a chance to meet up or catch up with friends and neighbours for a mid-morning break. There is no charge for refreshments - always plenty of choice - just a small donation to cover the hall expenses for the morning.

## Race Night at the White Horse

Despite the power problems more than £825.70 was raised for the Long Bredy Playground Equipment Fund at an excellent event and a big **THANK YOU** to all those that sponsored races, bought horses, to Andrew and Eve Bailey, Alan and Gwen Kinghorn, Anne Gillson, Phyllis Warren, The White Horse Inn, Ford Farms, everyone who had donated raffle prizes and....to everyone for coming and making this event such a success!

## A Date for Your Diary.

Long Bredy & Kingston Russell Parish Council are organising an **Auction of Promises on Friday 17th May 2019**. The event will be held in our popular local pub, The White Horse in Litton Cheney. It will be a really good night with many interesting, useful and unusual "lots". Funds raised will go towards the provision of new play equipment for the Village Playing Field in Long Bredy, so as well as being an enjoyable social evening it will support a valuable local amenity. More information will follow next month including details of some of the stand out lots.

Make sure you keep the date free so you that you can come and join in the fun. **Stephen J Evans, Parish Clerk**      **Long Bredy & Kingston Russell**
