FROM THE RECTORY

“Have you settled in yet?” is a frequent question I’m being asked and the answer is this, the ‘Welcome to your New Home’ cards have come down from the mantel piece and following a recent break in Pembrokeshire visiting family we were pleased to return ‘home’ to the Bride Valley Rectory, so I guess that’s a good indicator that we’re settling in.

And why wouldn’t we be? We’ve had a great welcome so far and I’d like to take this opportunity to say thank you to everyone who has helped make the move go as smoothly as possible.

I’ve noticed that welcome is a big thing throughout the valley and particularly during the summer months when we welcome so many visitors to this beautiful place where we all live. Even through September there are still a lot of visitors making the most of these surroundings.

I’ve also been incredibly encouraged by the welcome and hospitality I’ve seen in all of our churches. I shouldn’t be surprised by this, after all, the entire Bible is the story of how God has welcomed all of humanity, but sadly it’s not always the case across churches, so well done everyone.

Jesus died for us so that we could be welcomed into the presence of God. Dare we exclude or ignore others for our own petty reasons when Jesus sacrificed himself to make us all welcome? The verse which springs to my mind as a blatant reminder about Jesus’ welcoming nature, is this:

“For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me, I was naked and you clothed me, I was sick and you visited me, I was in prison and you came to me.” Matthew 25:35-36

This is probably one of the most well-known verses about welcoming others. It speaks specifically to those who might initially be hard to welcome – the poor, the sick, or anyone who we consider “different.” Our kindness is not only a reflection on Christianity as a whole, but it’s a direct reflection on how we think about Jesus.

We may be good at welcome, but let’s not get complacent. Let’s continue to explore ways we can continue and improve our ‘welcome’ to everyone. With every blessing,

Jane (Rector of the Bride Valley Churches)

This is a simple, reflective service, to which everyone throughout the valley is invited to attend to remember departed loved ones, whether this was recently or some time ago. VALLEY LUNCHES 2019

We expected a smaller number of attendees on September 1st as school term had not started and many friends were away. However, 35 came including new guests, so we were delighted. Please join us on **November 3rd** even if you have not been before. You will be most welcome. There is no charge, though (as we regularly say) you may like to bring a little cash to purchase items from Liz Orza's FairTrade stall. All we ask is that those who do come would bring some contribution - sweet or savoury or both - for this shared meal. Filter coffee and tea (with de-caff options) are provided.

For further details please phone Cilla (898473) or Heather (897780)

Tiny Tots

As I write, we are eagerly anticipating our first Tiny Tots service of this new session, and we will be welcoming our new Rector on that day. We hope that many more toddlers, babies and bumps will join us for this free, messy, noisy Tots' time each month.

Future dates for Tiny Tots are October 11th, November 8th, and December 13th at 2.15pm in St Mary's Church, Burton Bradstock. For more details contact Audrey (897227) or Heather (897780)

A huge 'thank you' to all who supported and donated to free a brick-kiln family from bonded labour in Pakistan. I managed 45 miles on my static exercise bike and to date have received and sent on £1,500 for this project. This means that Shahzad and Robina and their four children can be freed from their debts, and their

7day, dawn til dusk, hard labour, and can start a new life including freedom to go to church to thank God for you all . Also we hope we might be able to free a second family once promised gifts and Gift Aid have been factored in.

I am sure Rachel, our daughter in heaven for 20 years, would have been very pleased as she was always so passionate about justice. Thank you all so much.

Our Night Sky in October 2019

Jupiter will be setting in the south west at about 8pm with Saturn following two hours later so make the most of these two glorious planets while you can. Venus is beginning to put in a fleeting appearance as an evening “star” but will be setting in the twilight shortly after sunset, so might be difficult to see. Meanwhile the winter constellations will be rising in the east ever earlier, with Orion well up by midnight.

The Japanese mission, Hyabusa 2, operating about 185m miles from Earth hopes to collect pristine materials from beneath the surface of the asteroid Ryugu that could provide insights into what the solar system was like at its birth 4.6bn years ago. The agency said it would be the first time a probe has taken particles from below the surface of an asteroid.

To get at those crucial materials, an “impactor” was fired in April from Hayabusa2 towards Ryugu in a risky process that created a crater on the asteroid’s surface and stirred up material that had not previously been exposed to the atmosphere. The Japanese spacecraft successfully landed for a second time on the desolate asteroid to collect the material thrown up by the impactor as part of a complex mission that has also involved sending rovers and robots; it hopes the samples, which could contain organic materials and water, might shed light on the evolution of the solar system.

The probe will return to Earth next year, when scientists hope to learn more about the history of the solar system and even the origin of life from its samples.

BRIDE VALLEY GARDENING CLUB

As we approach our last meeting for the current Gardening Club year, we extend our grateful thanks to those whose work continues over the winter to prepare next year's programme of speakers.

On October 21st we look forward to a social evening including a fun quiz, accompanied by wine, non-alcoholic punch and cheese. Don't forget to bring your reading specs (if needed)!

We meet at the village hall in Puncknowle at 7.30pm, all visitors welcome (£2 entrance).

Jobs to do in October

Plant cyclamen, and continue to plant spring bulbs (except tulips which should wait until November or early December).

Divide congested clumps of hardy perennials and plant out wallflowers to flower next spring.

Bring indoors tender perennials; lift and store tender summer bulbs and tubers.

Sow next year's sweet peas in a cold greenhouse or frame.

In the kitchen garden plant garlic, sow hardy broad beans and peas under cloches.

Improve the condition of the soil as you clear it by adding organic mulches of well-rotted manure and compost.

Bring pots of herbs under cover to maintain crops during the autumn.

Bride Valley Harvest Day 2019

Looking for something new and different to do this autumn? Why not come along to Bride Valley Harvest Day this October and help harvest the grapes at Bride Valley Vineyard in Litton Cheney. As in previous years BVV are encouraging residents and their friends and families to come along and pick grapes as part of the 2019 harvest. So if you've ever wondered what grape picking is really like and are keen to find out more; fancy meeting local people or purely want to come along and enjoy a day at the vineyard whilst being paid for your efforts then sign up to be part of this year's Harvest Day and we'll let you have all the details as they are confirmed.

We are still unsure as to the exact date but we plan to run this day in the week commencing 14 October, preferably on the Saturday. As with previous years, earnings can be donated to a local charity or worthy cause if you wish...the choice is yours! We look forward to welcoming you to the vineyard for a great day and a bountiful harvest!

To register your interest please email marketing@bridevalleyvineyard.com

Burton Bradstock CE Primary School

We have had a great start to the Autumn term and the children have returned to school happy and refreshed after their Summer holiday – we were blessed with beautiful weather this year.

We have welcomed 12 new children to the school as they join the Reception class as well as four children and their families into Years 2, 3 and 4. The children have settled quickly into the routines of the school and have eagerly engaged with their lessons and learning.

At present, we have 83 children on roll. We have also been joined by a new teaching assistant, Miss Tattershall, into our Key Stage 1 class and we welcome back Mrs Varndell-Paulley who has returned to teach Year 5/6 following her maternity leave. Over the Summer holiday, our Year 3/4 teacher got married and is now Mrs Beth Steward – congratulations!

As we embark on our new learning we will be continuing with the second year of delivering our curriculum through 'Cornerstones'. Last year proved to be highly successful from the viewpoint of the children who thoroughly enjoyed the topics and embraced the structure of the curriculum. The Ofsted inspector who praised the school's curriculum also validated it. This half term the children will be involved in the following cross-curricular topics:

Reception – Why do leaves go crispy?

Year 1 and 2 – Moon Zoom!

Year 3 and 4 – Potions

Year 5 and 6 – Pharaohs

As I write this report, we have only returned to school for one week but already so much is happening. Our Reception pupils have already been out and about on their walks around the village and Key Stage 1 have been astounded by the discovery of a mysterious object (looking remarkably like the remnants of a space ship) in the playground.

Lower Key Stage 2 have explored different potions to help Alice from 'Alice in Wonderland' and Upper Key Stage 2 are preparing for their trip to the Tutankhamun museum in Dorchester. It promises to be a very exciting half term!

We have been so lucky with the lovely sunny weather over the summer, but this week it has definitely turned more autumnal which is getting us ready for our Harvest Festival. This will take place on Friday 4th October at 9.15am in St Mary's Church. All are warmly invited to attend.

As we start the new academic year we are also busy showing off our school to prospective parents who have children due to start in Reception in September 2020.

If you are looking for a school for next September for a Reception child we would love to show you around our school. Please get in touch to arrange a time.

We also have spaces available in other year groups, as well as sessions available in pre-school from January 2020.

Please contact us for further details on 897369.

THORNER'S CE VA SCHOOL

Welcome to the new academic year!

The outdoor provision for our Early Years has had a huge makeover and the children (and all the staff!) absolutely love it! There is a marquee, bell tent, mud kitchen, sandpit...

We are continuing to fundraise for our Early Years outdoor provision. Donations welcome!

A date for your diaries: Friday 11 October - Thorner's Friday FUNdraiser from 3.30pm at school and LATCH. We look forward to seeing you there! Raffle prizes welcome!

The children had their first outing of the year, and the Reception children on their third day in school, for our **Church service**. The children sang beautifully and it was altogether a very uplifting service.

Bredy and Eggardon are enjoying football training and a range of clubs: sport, art, gardening and Eco.

We look forward to a busy and exciting term.

Scouting helps provide #skillsforlife to over 800 young people across the Dorchester and West Dorset area. **Bride Valley Scout Group meets on a Monday evening at LATCH in Litton Cheney.**

Based on a true story - a cynical London music executive in a remote Cornish village on a stag weekend is conned into trying to sign a group of shanty singing fishermen. He struggles to gain the respect or enthusiasm of the unlikely boy band and their families who value friendship and community over fame and fortune. As he is drawn deeper into the traditional way of life he is forced to re-evaluate his own integrity and ultimately question what success really means.

The mismatched pair embark on a two-month tour of concert venues in the racially charged deep south and discover they're on the road to a meaningful and unique friendship. Cert. 12 2 hrs.

Norma Jean Foot

Sadly, Norma Jean Foot passed peacefully away recently. Norma was the widow of the late Tom Foot and she lived in Bedford Terrace for nearly fifty years. A champion cross country runner in her youth and later a talented skittles player, Norma in later life opted for a quieter time. She was a good friend to all who knew her and always had a willing ear and comforting smile. Right up to the end she was well cared for at home by Biddy and Bear, two of her six children. How many of us can say we haven't seen a doctor for 48 years, but Norma could, a testament to her belief in never making a fuss. Her funeral was exactly as she would have wished, small and private, yet a happy celebration of her life. Her coffin was carried by son Bear and grandson, and decorated with a beautiful arrangement of Norma Jean roses. Her ashes will be scattered at her childhood home where she spent many happy hours playing with her siblings and friends.

Geoff Way

Another long term resident, Geoff Way, has also passed away. Geoff came to live in Long Bredy with his wife, Iris, in 1999. He was an agricultural contractor well known in the West Dorset farming community for his fencing skills, in which he excelled. Geoff had been ill for sometime but he bore his illness with stoicism and courage. With the devoted care of Iris, he was able to spend his last days at home in the village he came to love.

Vineyard Tour

Recently we followed up on our successful bid at the Auction of Promises, which was held to raise funds for the new swing in Long Bredy playing field. Along with two willing friends, we booked our tour of the Bride Valley vineyard.

On a bright, sunny day we made our way to Court House to meet our hosts, Graham, the vineyard manager and his wife Mo. We then walked up to the vineyard to a viewing area where the vineyard was laid out in front of us and vines growing around us. Having watched with interest from farther up the valley as the vineyard has grown over the years, it was fascinating to see the vineyard from a different perspective, hear about how it came to be and how it is managed now.

What an excellent, informative morning completed by a commendable wine tasting. This made our auction bid a great success and thank you Bride Valley Vineyard for donating the tour. We have even been inspired to help with the Bride Valley Harvest so perhaps we shall see you there!

Melplash Show: Congratulations to.....

Delia, who came second on The Yeti, in the Open Hunter class and to Caddy, whose prowess in growing vegetables, fruit, herbs and flowers earned her numerous first prizes, all of which contributed to her winning the highly prestigious RHS Banksian medal.

Coffee Breaks

The next Village Coffee Break will be on **Saturday October 12th**, from 10.30am to 12 noon in the village hall. Coffee, tea, cakes and chat are all on offer in exchange for a small donation to cover hall expenses. This is just meant as an opportunity for anyone to meet up with friends and neighbours over 'elevenses'

Listen and Learn

The Rector, Jane Williams, is very eager to listen to people's ideas about the role of the church in the community, the format of services, and from these ideas learn about the way she can develop the church throughout the Bride Valley.

Each church is having an evening for this, and Long Bredy's is on **Monday October 14th, at 7.00pm** hosted by Mrs Juniper Greener at Langbride House. This is an invitation to anyone, whether or not a church-goer, to put forward your ideas, concerns, wishes.

If you are not able to come to the meeting but have ideas or would prefer to write your thoughts down rather than discuss them, please contact Jackie Cain. If you are able to attend the meeting, also please contact Jackie as she is co-ordinating numbers etc.

Come Along Inn

Pop in to your local again on **Friday October 18th**, between **5.30 and 9.00pm**. at Long Bredy Village Hall. Choose from a selection of bottled beers, wine and soft drinks; buy a ticket for the monthly meat raffle.

Harvest Supper will be held in the Village Hall on **Saturday October 26th**. Please see the enclosed flier, notice board or village website for details.

Christmas Grand Draw - Tickets are on sale now; all the details of prizes are in the September issue of the magazine. Please help by buying / selling tickets for the draw on December 14th.

Future Date for your diary

The monthly “Coffee Break” on **Saturday, 9th November** will be held to say ‘thank you’ and raise funds for the Marie Curie Nurses. Held as usual in the village hall between 10.30am and 12 noon, along with a cake stall and bring and buy, there will be a raffle. Donations for any of these would be gratefully received.

The Marie Curie Nurses can help you if you’re living with a terminal illness and want to be cared for in your own home. Over the years they have given help and support to several families in the village and Iris, Eddie and others thought we would like to give a little bit back. For further information please contact Gwen 482270.

A New Venture

Mike and Kate Harris from Dowerfield Farm are starting a new venture with their Hereford beef. Please see their advert elsewhere in the magazine for further details.

St Michael and All Angels

We have welcomed our first newcomers to the village for over a year recently, as **Adam Barrett and Faye Summers** are making their home at Bigwood Lodge. They are hoping to be married in Church here in December, by which time we hope they will already both be fully established members of the community. A warm welcome and all very best wishes to them both.

Melplash Show at the end of August once again proved fertile territory (sorry for the pun) for the village, especially **Charlie McCormick**. One wonders how long it will be before other competitors don't bother to enter when listing his prizes: 7 Firsts, 6 Seconds and 3 Thirds. Like last year, these included the heaviest marrow and heaviest pumpkin. His dahlias also won a national award and the cup for most points in all the dahlia classes. There were also some prizes in the handicrafts section for the **de la Mare family** of Orchard Cottage, and if there is anyone else we haven't heard about, then apologies to them.

Very, very well done and many congratulations to them all.

Charlie has also agreed to be the Convenor of the bring and share element of the **Harvest Supper, to be held in the Village Hall at 6.00 p.m. on Sunday 13th October, following the Harvest Thanksgiving Service in Church at 5.00 p.m.**

Please could those wanting to attend let him know in advance (482196 or charlie@mccormick.london), indicate numbers, and agree what contribution they can make.

Plans are already afoot for a village Bake-Off as part of the event, with loaves being brought to the Church for the service, then consumed at the supper, after judging by a well-known local food writer - very local to the Church and the Hall.

Let us hope for a good attendance and the customary highly enjoyable evening.

ST MARTIN'S CHURCH

Floodlights for October

Whoops! Another month gone! The nights are definitely drawing in but the Church of St Martin, offers a warm reassuring glow over the village. For the month of October, special thanks go to our sponsors:

Sue Linford,

Anne Jones of the Old School for Bruce's 50th birthday

John and Diane Bredemear in memory of their dear friend Marlene.

Friends and neighbours of Claire & Darren of Rosamund Avenue,
wishing them both happy 50th birthdays

Pete and Nova celebrating their Diamond Wedding anniversary

And Anne Thimont who loves to see the church lit up.

We are grateful too, to those generous folks who ask to remain anonymous

Should you wish to light up St Martin's for a special occasion or a fond memory, please contact me Phyl Webster on Tel. 01308 898657.

A donation of £5 is appreciated. If you would like a mention in the BVN please let me know in good time before the magazine's submission date.

Harvest Festival

Come and celebrate the harvest and sing your favourite hymns at
St Martin's Harvest Festival on
Sunday 6th October at 5 00 p.m.

The service will be followed by a light buffet supper
in the Shipton Gorge Village Hall.

Maintenance morning

There is to be a maintenance morning from 10 a.m. – 12 noon on Saturday 23rd October at St Martin's. We'd be very grateful for any volunteers who could give us a hand. Please bring your gloves and secateurs

The Bell Tower

The bells of St Martin's rang out with great skill on Friday 30th August, thanks to visiting ringers of the St Blaise Society. They rang for 2 hours 26mins *'5040 spliced surprise minor (to methods)'*

Our own novice ringers will be resuming practice this month after a late summer break. We meet on Tuesday evenings around 7 00 p.m. for those wishing to try their hand.

PARISH COUNCIL

You may have noticed some white markings on the roads in the village following a walk through the village that we requested with our **Dorset Council Highways Officer**. These denote drains and gullies to be cleared and potholes to be repaired. Some of this work has already started and so should help with rain water run off when the wetter weather comes.

The **school transport double decker bus** came into service in September following the extensive tree and hedge cutting on the route. Please let us know if you have any questions or comments on this change from the single decker which has been in service previously. We'd love to hear your thoughts on this.

The Parish Council has started work on the 2019 Village Appraisal. This will be the fifth one to be carried out as an appraisal has been done every 10 years since 1979. Representatives from the Village Society, Village Hall Trust and St Martin's Church are also involved in helping to prepare this. As part of information gathering a questionnaire will be delivered to all households and we urge everyone to complete these so that we can obtain an accurate picture of the village and most importantly have your views on your village and how you would like it to develop in the future.

Finally, we are pleased to report that after nearly four years of work, the last Fingerpost in the village was put into place at the beginning of September. All five posts have been completely rebuilt and posts and letters replaced. This has been a mammoth task undertaken almost completely by Christine Huxtable to whom we are extremely grateful. The cost of this project was funded by a grant from AONB, a substantial donation and through the parish council precept.

A full breakdown and account of this undertaking will be given at the parish council meeting in September and placed in the minutes for anyone who is interested to view.

2019 VILLAGE APPRAISAL

The Parish Council has undertaken Village Appraisals in 1979, 1989, 1999 and 2009 which can be found on the Village website www.shiptongorge.org.uk under the Parish Council drop down menu.

Now the 2019 Village Appraisal is being prepared. The aim of all the Appraisals has been to survey the Parish and gain the views of its inhabitants. All Village organisations have been contacted and are assisting with this project.

Hard copies of the Appraisal form will be delivered in the near future to all houses in the Parish and you are urged to complete them in order to make the Appraisal meaningful. We will be asking for volunteers to deliver and collect Appraisals when they are prepared.

SHIPTON GORGE HERITAGE

Thanks to everyone who came to our **Open Garden and Cream Tea** event in August. It was a great success thanks to the hard work of Liz and Robert Langran in organising this and preparing the beautiful garden for people to see, and also to those that helped on the day and most importantly the many people who came and supported it and had a very enjoyable afternoon.

Our next event will be a **Jumble Sale on Saturday 2nd November** starting at 2pm in the Village Hall. There will also be tea and cakes to sustain you while you browse.

We would appreciate any items for the sale that are clean and in good condition and they can be dropped off at the hall the evening before or the morning of the sale or with any trustee - Liz Langran, Mary Boughton, Colin Chambers or Steve and Philippa Young. If you would like items collected then we will be happy to do so.

PRE-CHRISTMAS GET TOGETHER – make a note in your diary

This year's Get Together will be in the village hall on Sunday 24th November. More to follow next month but keep the date free.

Hall Update

During the School holidays a number of improvements were made to the Hall.

A new fire alarm system was installed throughout the building on the recommendation of a full fire safety audit carried out some months ago. User instructions have been updated to include the new system. The front entrance Hall and Kitchen were fully redecorated and carpets and light fittings replaced.

A volunteer group completed the annual clean up of the rest of the Hall, painted the sheds, cleaned inside and out and touched up paintwork where necessary. Many thanks to all who gave their time to help, the end result is always well worth the effort.

Burton Bradstock WI

As promised, here is a photo of our two vice-presidents (Joan Allan and myself) all dressed up for “Ladies Day at Ascot”, which was the theme for the Afternoon Tea Party held at Martinstown WI in August. We had a lovely, fun afternoon in spite of the torrential rain outside, partaking in such games as “Pin the tail on the Horse”, “Guess the Weight of the Horse Poo” (not real!) and betting on the winning “horse” (cleverly disguised as pigs – which I’m sure you’ve all seen at the local fêtes!)

We were amazed at the variety and creativity in all of the hats and have to admit that it was nice to get all dressed up for such an enjoyable occasion and there was a very nice tea as well, of course!

Another two of our members, Jean Filby and Eva Seward took part in the Dorset Federation Golf Croquet tournament at Kingston Maurwood and had a thoroughly enjoyable time, as did the Skittles Team when they played their first match against Halstock WI. We didn’t win but there were only 13 points in it so we were quite encouraged by this result, especially as two of our team scored a “Spare”!

October sees all of our groups back up and running – the reading, walking and activities groups as well as Mah Jong and kurling will all be back in full swing, plus the skittles teams will be playing more matches.

A group of members will also be attending the Annual Meeting at the Lighthouse in Poole where the speakers will be Tom Heap from the BBC Countryfile programme and James Cossins, who is the chairman of the Dorset NFU. Both speakers will be talking about current environmental issues, so hopefully there will be some good news.

Our own speaker for October will be Charlie Wheeler who lives in the village and is a Swan Herdsman at Abbotsbury and a keen photographer. His talk entitled "A Year through my Lens at Abbotsbury Swannery" will surely be something to look forward to.

Do come and join us – we meet on the second Tuesday of the month in the Village Hall at 7.30pm. (2.15pm during the Winter). We have a full programme of speakers throughout the year plus outings, theatre trips, meals out, reading, walking and activity groups, card players, Mah Jong and Skittles, not forgetting our new indoor curling group.

Something for everyone!

For further information please contact: Janet Pearson 01308 898346

BURTON BRADSTOCK VILLAGE SOCIETY

Our next talk is on **Friday October 11th** at 7.30pm in **Burton Bradstock Village Hall**. **Colin Varndell** will talk about 'The Hedgehog Predicament', its natural history and decline and how we can help.

Over the course of his career, images from Colin's huge body of work have appeared in countless publications, including Outdoor Photography, BBC Wildlife and Country Life. Along with his wife Suzie, and the Dorset Mammal Group, he has recently taken up the cause of the hedgehog, lecturing about its life and the sad decline of the species.

Don't miss it - it should be a fascinating evening's presentation followed by a question and answer session.

Members pay just **£1** on the door and non-members/guests **£4**.

Burton Bradstock Short Mat Bowls Club

Would you like to do something on the long winter evenings? Why not join us for Indoor Bowls at Burton Bradstock Village Hall on Monday evenings? No experience necessary and all are welcome. It's just good fun and none of us are experts!

We meet at 7.00pm every Monday evening and first session is free. Why not come along and give it a try?

Burton Bradstock Festival of Music and Art

The 39th Burton Bradstock Festival of Music and Art has closed for another year. It is by any measure a great feat of organisation. This year over 1500 individual tickets were sold giving a record for ticket sales. The Sunday tea party was very well attended and the weather managed to hold well for the Tuesday Lunchtime concert which was sponsored by Furleigh Estates who provided a most wonderful sparkling wine to the 140 members of the audience to drink with a terrific buffet lunch served by our catering team.

Once again the Art Exhibition proved to be a great success in spite of the poor weather in the latter half of the week. This remains one of the most successful opportunities for local artists and crafts people to show and sell their work.

More than 40 musicians joined us to perform this year and the programme was exceptional for its variety and key performances by many of the regular Festival Players. A new contemporary piece composed by David Gordon was presented to great applause on the final Friday Gala concert.

We look forward with great excitement to the 40th Anniversary and we plan to provide something very special indeed.

The committee of the Festival wish to thank all of those who make it possible by giving up their time to provide accommodation for the visiting musicians. To the catering team who work tirelessly to provide meals for the musicians over the week. To those involved in moving furniture and building stages, to the Friends of the Festival who support us financially. To our Patrons, Sponsors and advertisers who make this all possible. Finally to our audiences who return year after year, purchase tickets and enjoy the performances with us.

Next year the festival will run from Saturday 15th August until Sunday 23rd August with the musical performances from Monday 17th August until Friday 21st August.

Please visit our web site in Spring for more information. If you would like to be kept informed then please consider becoming a friend of the festival for £10.00 per annum. Visit our web site for more details.
