### BRIDE VALLEY CAR SERVICE

The BVCS is a volunteer scheme offering residents of the Bride Valley transport to and from medical appointments when they are unable to drive themselves or be driven by relatives or friends.

Clients are charged a mileage fee (currently 50p per mile) plus a standard charge (currently £1.00 per journey). Because the service depends on the availability of volunteer drivers, clients are asked to give as much notice as possible – we are unlikely to be able to respond to requests within 48 hours of an appointment.

BVCS simply provides door-to-door transport and cannot be responsible for assisting with clients' medical or mobility needs. Patients with complex transport needs for hospital appointments should contact the NHS Non-Emergency Patient Transport service.

To book a journey please call our voluntary co-ordinator Lesley on 01308 897695 between Monday and Friday.  
Calls cannot be taken at weekends.

## FROM THE RECTORY

### Happy New Year

A blank page, a fresh start, a new beginning, call it what you like, there is something about the first day of January that can be really exciting. This year we have a double whammy, the start of a new decade and a leap year to boot! The possibilities are endless.

Some of us will be starting new adventures, planning to move away or maybe you have just moved here, or a new job or business idea. Some might be considering New Year's resolutions, giving up an old habit or starting out with something new. For some it will be yet another year of doing exactly the same thing. All of this may be a good thing or it may be a bit daunting.

One of the ways I cope when thinking about the future, not knowing what it will bring, is to look back and remember what God has already done in my life. He has always been faithful throughout all of life's ups and downs and so I can be confident that this will always be the case, whatever 2020 may bring.

The bible tells us that God has plans for our lives: **"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."** Jeremiah 29.11 (New International Version).

For me this means that God is on my side, whatever I'm likely to face, good or bad and this gives me the confidence to keep going.

The Bride Valley Churches have lots to look forward to in 2020, you will read throughout this edition of our individual plans for a joint **Wedding Festival** running from **14<sup>th</sup> to 16<sup>th</sup> February** ending with special services in every church, a joyful celebration of loving relationships on **Sunday 16<sup>th</sup> February at 10.30**. It is our hope that no-one gets left out in this celebration, so we are focussing on all our relationships, present, past and future, friendships, brothers, sisters, parents, children, even grown up children and neighbours, new or old.

Then in Lent we plan to run **The Bible Course**, a chance to explore the **BIG** picture of the bible and how we can apply it to our everyday lives. This will start on **18<sup>th</sup> February** and run all the way up to Easter. This course will be open to everyone.

Whatever 2020 brings us, as individuals and as a community, my prayer is that we all enter into it with the hope that Jesus brings to our lives.

With every blessing,  
Jane (Rector of the Bride Valley Churches)

## VALLEY LUNCHES 2020

### **A Happy New Year!**

Start the New Year in style by coming to our first ever **JANUARY Valley Lunch on Sunday 5th at 12.30pm in Burton Bradstock Village Hall.**

Feel free to bring any 'left over' Christmas crackers or party hats, if you wish, to give a festive air to the meal, and bring any 'left over' family members, and neighbours too. Everyone is welcome and there is no charge, though there will be an opportunity to purchase items from Liz Orza's Fairtrade stall.

All we ask is that those who do come would bring some contribution - sweet or savoury or both - for this shared meal. Filter coffee and tea ( with de-caff options) are provided.

**For further details please 'phone Cilla (898473) or Heather (897780)**

### **Tiny Tots**

It was great to have our Rector with us at the December Tots' Session to tell us about the first Christmas, using pop-up pictures and knitted figures. We marched the length of the Church singing 'It's Christmas, we will clap and sing' whilst playing our musical instruments.

We invite all pre-school children, babies, and bumps with parents and carers in the Valley and beyond to join us at 2.15pm on **Friday 10th of January** for our next free, messy, noisy Tots Service, with refreshments, at **St Mary's Church, Burton Bradstock**

**For your diary, future dates for Tiny Tots are  
Friday February 14th and Friday March 13th, at the convenient time  
2.15pm - to end at school 'pick up' time.**

**For more details contact Audrey (897227) or Heather (897780)**

**Christmas Greetings in the Bride Valley News**

**Thank You!**

The Bride Valley News team would like to thank all those who contributed so generously to the Christmas Greetings page in the December issue. The magnificent total of £1,211 was raised, and £700 has therefore been sent to the Weldmar Hospice and the remainder to support the costs of printing the Bride Valley News.

## Bride Valley Benefice

**The churches of the Bride Valley will be holding a Wedding Festival, to coincide with St. Valentine's Day 2020.**

Each church will create an unique display to celebrate the various aspects of love and marriage, ending with a special service in each church at **10.30 am on Sunday 16<sup>th</sup> February.**

Both schools will engage with this theme, staging a mock wedding and an enactment of the Wedding Feast at Cana and there will be a couple's preparation workshop for those being married in the Benefice in 2020.

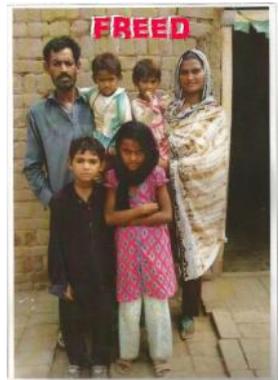

**Each church will be open between 10am and 3pm on Saturday 15<sup>th</sup> February.**

## Sponsored Cycle

Thanks to the generosity of so many of you, the final total for my 45 mile sponsored cycle ride in August, including Gift Aid, came to £2,066.23p and enables three Christian families in Pakistan to be freed from bonded labour. This means that not only six adults are free from debt but nine children are able to leave working in the brick kilns and go to school. I have more details and photographs if you are interested.

**Thank you all so very much.**

Heather Rogers (897780)

## Our Night Sky in January 2020

Venus is brilliant low in the south West after sunset, setting about 1900, while Mars rises low in the South east about 0500 in the morning. All the winter constellations are well up by sunset, and are a wonderful sight, especially with binoculars.

Japan's Hayabusa 2 spacecraft is now the first spacecraft to retrieve a subsurface sample from an asteroid. On July 11th, the spacecraft touched down for a second time on asteroid Ryugu. This time, the probe retrieved a sample from a crater it excavated with its impactor.

Asteroids like Ryugu are made of the same primordial material that the rocky planets like Earth are made from. But there's a difference between the surface samples and subsurface samples. Surface material is subject to space weathering from the Sun. Over the billions of years since the Solar System formed, that material has changed. It's still scientifically interesting, but the material underneath it has never seen the Sun.

Scientists want to get their hands on it and get it into labs to analyse it, and to hopefully shed some light on the origins of Earth and other rocky bodies.

Hayabusa 2's science phase was due to end in December 2019. At that point, with samples encased in protective canisters, the spacecraft will fire up its ion engines and head for Earth. When it approaches Earth, it will launch its sample return canister (SRC) towards Earth, and parachutes will slow its descent to the surface. From there, it'll be collected and taken to laboratories where eager scientists will subject the contents to a thorough examination.

I will let you know the results as and when they are released.

## Burton Bradstock CE Primary School

As I write this report in December the school is buzzing with pre-Christmas excitement.

Amidst the tinsel and glitter the children are busy rehearsing for the Christmas play. This year the whole school will perform 'The Peace Child', where we see the cast travel to the far away land of Mambica to witness two opposing tribes who seem unwilling to put an end to their enmity. **Only the gift of a new-born child can bring peace.**

Following the success of two years ago, we are again using Freshwater as our venue instead of the school hall – we are extremely grateful to them for the use of their facilities. The children are thrilled at the prospect of performing on a 'proper' stage with props and lighting. As well as wonderful acting, humorous commentary and lively songs the musical also provides a moving and poignant message of peace and unity.

As part of the Christmas festivities, our school choir enjoyed singing as part of the Minerva Learning Trust Choir at Bucky Doo during the Christmas Cheer event in Bridport. We also decorated a tree at the Christmas Tree Festival at the United Church where our tree looked great bedecked with a host of heavenly angels!

We also thanked Reverend Jane for leading our Christingle Service in the church this year. It was lovely to witness the enjoyment of the children as they sang the hymns and received their Christingles. The money raised during the collection at the service was donated to the Children's Society.

In the last week, the children are looking forward to donning their Christmas jumpers for the Save the Children Christmas Jumper Day Appeal, enjoying their Christmas lunch provided by Local Food Links (hopefully with a visit from the man in red!) and ending the term with our Carols around the Christmas tree.

On the fundraising front, the Friends' Christmas Fair was a great success, raising over £1000 for the school. We are so lucky to have such a supportive group to organise these events for us that not only raise valuable funds but also are fun for everyone.

Many thanks to all who came along to support us. We would also like to thank Hannah and Jaap at the Three Horseshoes for their continued support, most notably their successful Pub Quiz in December that raised extra funds for the school.

A final thank you...

As 2019 draws to a close, I would like to express thanks on behalf of staff, the Governors and myself for the wonderful support that the school receives. As you read this report in January the festive celebrations will be over, the costumes packed away and the decorations taken down for yet another year. We will be looking forward to a successful 2020 and all that a new year brings.

The staff and children of the school wish you a very happy and healthy 2020!

**Claire Staple**

**THORNERS CE VA SCHOOL**

**We are delighted with our recent inspection under the Statutory Inspection of Anglican and Methodist Schools (SIAMS), which has judged us as a good school in all areas.**

The inspection calls us a 'caring community where love and respect permeate all aspects of school life'.

It acknowledges that: 'The headteacher, supported by governors and staff, has created a school community where everybody matters' and that pupils 'demonstrate their compassion and love for others.'

We are so pleased!

**Charity fundraising:** We raised £90.90 for **Children in Need** and £92.40 for '**Just One Tree**'. Thank you, everyone.

The Bride Valley Bingo Fundraising Group raised a whopping £750 for the school! Wow!

**Sport:** Bredy participated in the **Bridport Dance Festival** and came third overall – well done to them. The video of their dance is on the website for you to enjoy. Parents came to see the dance performed at school.

Several children took part in the **cross country** Colmer's Hill run and Thorner's did really well.

Sophia came second out of all the girls and Lyra came third. Kitt came seventh out of all the boys. The girls came third overall and the boys fourth. **Super running, teams!**

Reception had a **Healthy Ted talk** from the school nurse.

The **Ethos Council** enacted 'The First Christmas' to demonstrate our value 'Hope' of the half term.

The whole school is taking part in '**Junior Firefit**', a programme devised by the Dorset and Wilts Fire Service.

The children are loving it, especially the horse rescue!

### **Stop Press - Community Bus Service continues into 2020**

Dorset Community Transport have confirmed that the alternate Wednesday and Saturday bus service to and from Bridport will continue into 2020. Equally good news - those with concessionary bus passes may use them on this service in 2020 provided they are registered members of PlusBus, have pre-booked each journey, and present the pass to the driver each time they travel. Our thanks to DCT for continuing to make this facility available.

### Litton Cheney Social Committee

**HAPPY NEW YEAR!** Many thanks to Chris and Jackie for donating their home grown Christmas tree for the Village Triangle. It was a fine specimen, fully worthy of the pulsing lights, and also the wooden ornaments made by John Vercoe to whom we give our grateful thanks. Also thanks to all who helped erect and decorate the tree. It certainly brightened up the Triangle, offering up a few weeks of festive cheer.

### Carol Singing

At the time of going to press the weather during the days when we should be carol singing around the village looked decidedly iffy. However, fear not, we shall bring you news of what happened next in February’s BVN

ArtsReach’s “**CAROLLING AND CRUMPETS**” concert with John Kirkpatrick was a virtual sellout and thoroughly enjoyed by all those astute enough to

come along. John's skill on the concertina and accordion, together with his humour and personality, kept the audience thoroughly entertained, and those who joined in by singing on many of the choruses, being thoroughly "wassailed!!" by the tapping tunes. Crumpets were not on offer, but the interval's mince pies were eagerly sought after! Many thanks to Steve, Kathy and Diana for organising this suitably festive event, and all those who helped on the evening.

### A Plea from Local Farmers

Dog Owners & Dog Walkers – **please** pick up after your dog. Your undoubted concern for the environment generally is unquestioned. We just need a few more people to understand what that means.

## **CELEBRATION OF CHURCH MUSIC**

At the church of St Mary of the Annunciation, Beaminster on Saturday 23rd November the Rural Dean, the Reverend Canon David Baldwin welcomed a choir of forty four singers drawn from the churches and choirs in the Lyme Bay C of E Deanery, Dorchester and further afield from Wimborne to sing for a festival service to celebrate St Cecilia, the patroness of music.

This Lyme Bay Choirs Festival under the inspired direction of Martin Schellenberg included music by Stanford, Smith of Durham, Charles Wood, and Vaughan Williams with the congregation joining in the singing of six hymns. The lessons were read by Janet Allen the Deanery Lay Chairman and Andrew Robson from the Royal School of Church Music Wessex Committee.

The accompanist was organist Paul Cheater from Litton Cheney who stepped in at short notice. His voluntaries were a prelude by Ernest Walker that he had recently discovered among some old manuscripts and his rousing and appropriate conclusion was Festival Toccata by Percy Fletcher.

The festival was a joint event organised by the Lyme Bay Deanery and the RSCM Lyme Bay Support Network.

### St Michael and All Angels

*A very happy, fulfilling and prosperous 2020 to all readers.* May the result of the recent General Election [whatever it is, as this goes to press beforehand] cause the year to be one of resettlement and reconciliation among politicians and the public, in West Dorset as of course elsewhere.

For the third time in recent years, the pavilion became the second biggest building on the cricket field for a few days at the beginning of December, when an amalgam of three large tepees was erected for the wedding reception of Adam and Faye Barrett on December 7th. It was a memorable occasion, and, again, our very best wishes to them both in their married life together.

It is too early to be able to report on the various Christmas events in and around the village, but we hope everyone has fully enjoyed the festive season – beginning as it did in the commercial world around the beginning of November...

There will be two events in the village around the middle of February which deserve some pre-publicity now. As many readers will already know, the Valley's Churches are preparing for **a weekend celebrating love and relationships over the weekend from St. Valentine's Day on Friday February 14th till Sunday 16th.** Littlebredy's initiative will be to display wedding photographs in the Church for the weekend. Therefore, in the meanwhile, residents will be approached and asked if you would be prepared to locate and then lend a wedding photograph for the display. Please start looking now, if yours is not already easily visible on a shelf! The same request is going out to as many as possible of those married here in the past but who may have moved away. It is definitely the case of the more the merrier, please.

Also, but separately, there will be **a concert of chamber music at Bridehead at 3.00 p.m. on Sunday 16th February.** Bournemouth Symphony Orchestra musicians Barbara Brown (flute), Tom Beer (viola) and Eluned Pierce (harp) will present a programme featuring Debussy, Leclair and Arnold Bax in a wonderful Dorset Artsreach spring concert.

Full details can be found in the “block ad” below and tickets at £10 can be obtained on request from Tim Laycock (482443) or Catherine Williams (482232).

### The People's String Foundation - Res Publica

The People's String Foundation are an army of bohemians and vagabonds hailing from the grass roots of British music culture. Mixing world, Classical and urban styles, this Cornish band is fronted by the virtuoso violinist Ben Sutcliffe (Director Of Music for Rogue Theatre, Kneehigh and the Minack Theatre) with co-founder and composer Zaid Al-Rikabi at the core. The live duo packs the 32-piece Gypsy Orchestra into a suitcase and takes them on tour to perform their newest album release 'Res Publica' to audiences nationwide. This music is sure to set your heart racing, get your toes tapping, warm the soul using music, puppetry, art, cinematography and animation.

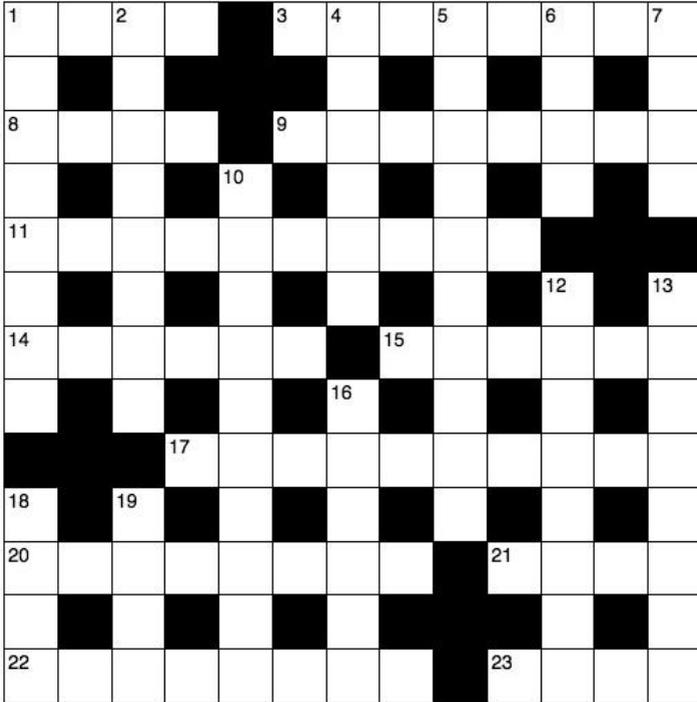

The story is one of a solitary soul, a marionette puppet searching for meaning during these turbulent times. Twinned with the lead musician's violin and edited to slip seamlessly in and out of the orchestral footage, the puppet's journey takes the audience on an emotional and intriguing journey. Res Publica is a unique project that combines many art forms to create one immersive and exhilarating show created by talented film and theatre professionals.

The second half of the show offers the audience the chance to hear The People's String Foundation's most popular songs and compositions from their time working as musical directors for companies such as Kneehigh and Rogue Theatre and The Minack.

## St Peter's Church

### Long Bredy 100 club

#### November 2019 draw

£25.00	No. 114	D. Andrews
£15.00	No. 94	B. and A. Peppiatt
£5.00	No. 73	D. and R. Cullingford

Drawn on 22.11.2019 at the Pop-up Pub.

New subscriptions for the 100 Club are due this month. Each number which you buy - £12.00 - is entered in the monthly draw, prizes in denominations as above. Additionally, there is an extra bumper prize in December. Money raised is used towards the maintenance of three main areas of expenditure in the village...the hall, playing field and church. Last year over £800.00 was given in prize money and a similar amount divided out almost equally to village amenities.

It would very greatly help Ruth - 482562 if you could contact her for a form as soon as possible.

You can only win if you are in!

#### Village Coffee Break

The next Coffee Break will be on **Saturday January 11th from 10.30 to 12.00** in the village hall. Coffee, cake and chat are all on offer for a very small donation to cover hall expenses.

The Coffee Breaks, on the second Saturday of the month, have been running for a year. A number of different people helped to run them last year, and it would be good if this happened again, varying the flavour each month.

The hall has been booked for these Saturdays; if anyone would like to organise one of them, please contact Ruth Cullingford.

### Come Along Inn

The next opening time will be on **Friday, January 24th** in the village hall from **5.30 to 9.00pm**.

### Wedding festival

The Reverend Jane and Church Wardens throughout the benefice are planning a Wedding Festival to be held over the weekend of **February 14th to 16th**, with each church involved in different ways.

The festival aims to celebrate loving relationships in the widest possible sense, not only the romance of a wedding, but love and care in a whole community - families, friends, neighbours, and for Christians, God's love for each of us.

There will be events in the two local primary schools and concurrent services in each church in the Bride Valley on **Sunday, February 16th at 10.30 am**. The service in each church will be exactly the same on this occasion.

**Churches will be open between 10.00 am and 3.00 pm on Saturday February 15th and Sunday February 16th**, all with a different wedding theme. A small leaflet will be available explaining what is on in each church, including an activity for children.

In **Long Bredy** the church will be decorated on the themes of **bells and wedding hats**; if anyone has a hat which they have worn for a particular wedding, together with a photograph of the occasion and would be willing to lend these for the weekend, please contact Jackie - 482379, Ruth - 482562, Elinor - 482269 .

There will be Ringers ringing the bells on Saturday with a camera showing the bells being rung and a small exhibition of Bell items.

There will be refreshments in the church on the Saturday.

This is not intended as fund-raiser but donations to meet costs will be welcome. Also welcome will be any offers of help to decorate the church, help with refreshments etc etc. Please contact any of the above.

## ST MARY'S CHURCH

On Sunday January 5th at 10.30 am there will be a special Songs of Praise service for Epiphany, led by our Rector, Rev'd Jane Williams. We will travel with the Magi as they visit the infant Jesus in Bethlehem and we join in singing some Epiphany Carols, as well as listening to seasonal readings and homilies.

As usual there will be refreshments afterwards.

The next Songs of Praise service will be on Sunday 2nd February, Candlemas, at 10.30 am and it will be led by Revd Sue Linford. Candlemas is 40 days after the birth of Jesus and when he was presented to the Lord in the temple. This was the occasion when Simeon took Jesus in his arms and said what we now know and sing as the Nunc Dimittis.

**Come and join us for these inspiring services**

**St Mary's Church, Burton Bradstock - Wedding Festival Display**

**A Joyful Celebration of Loving and Caring Relationships**

Everyone is invited to come into Burton Bradstock church as part of the St Valentine's Day weekend celebrations which are taking place throughout the Bride Valley. There will be a display of photographs picturing some of the couples who have been married here over the last 50 years or so and they will share some of their memories. The church will be suitably decorated with flowers.

Coffee and biscuits will be available between 10.00am - 12noon, and Tea and Cakes between 2.00pm - 3.00pm.

It will be a unique opportunity to meet friends old and new and talk particularly about love and marriage. If you have family photos and reminiscences about other Burton Bradstock weddings which you would be willing to share, do please let us know, and/or simply bring them along on the day.

## **CHILDRENS' SOCIETY BOXES**

A huge thank you to everyone who has returned their boxes for this charity. There are a few still missing, but so far, you have raised just under £500 which is an amazingly generous amount. On behalf of the Children's Society I am extremely grateful. I will be getting the boxes back to you shortly.

Since last year, a few people are no longer able to participate in this scheme. If anyone else would like to have a collection box for a year, please do contact me. You'd be amazed what odd bits of change from your pockets can mount up to and it is a very good cause. Thank you, again.

## BURTON BRADSTOCK FILMS

Burton Bradstock Films first showing of 2020 is on **Friday 31 January** when the second half of the season will start with **CAN YOU EVER FORGIVE ME.**

Melissa McCarthy stars as Lee Israel the bestselling celebrity biographer and cat lover who made her living in the 70's and 80's profiling the likes of Katharine Hepburn, Tallulah Bankhead, Estée Lauder and journalist Dorothy Kilgallen. When Lee fell out of step with the marketplace and was unable to get her work published she turned her art form to deception, abetted by her loyal friend Jack (Richard E Grant).

It has been described as a terrific film, a pleasure to watch, with a lot to say about ingenuity and heart wrenching loneliness.

### DATE FOR YOUR DIARY

**YESTERDAY - Friday 28 February 2020.** A story which is touching, funny and romantic with top rate music.

**We wish you all a very happy Christmas and a successful New Year**

### Village Hall Trust AGM

Will take place on **Thursday 30<sup>th</sup> Jan at 7:30 pm.** There will be short presentations on 2019 activities and finances, plans for 2020 and elections, followed by a glass of wine and nibbles.

All who live in the Village are welcome, this is your Village asset and we welcome any questions and suggestions of ways to improve it.

### BURTON BRADSTOCK VILLAGE SOCIETY

Our first talk of the New Year will be at **7.30pm** on **Friday January 10th** in **Burton Bradstock Village Hall** when our local celebrity **Bob Ayers** will help us on '**Knowing the Ropes**'. He will take a light-hearted look at an ancient commodity that put Bridport on the world map.

Many of you will know Bob's enthusiasm in and knowledge of the subjects he chooses to present. Do come along. Members pay just **£1** on the night and non-members/guests **£4**.

Other dates to put in your new diary are:

**Friday 7th February** when **Ian Williamson** will tell us about '**My three weeks adventure in Nepal**'.

**Friday 13th March** when **Mary Bengier** will talk about the '**Development of Burrow Farm Gardens**'

**Friday 3rd April** when **Steve Etches** will present '**The Etches Collection**' - prehistoric adventures from under the sea.

Please note a couple of changes in the dates of some later events in the year because of the change in the timing of May's early Bank Holiday.

The Village Society AGM will now take place on **Friday May 15th (not May 8th)** and the **Village Society Coffee Morning, Plant and Cake Sale** will happen on **Saturday May 16th (not May 9th)**.

**Burton Bradstock Post Office**  
**'at the heart of the village'**

**USE IT OR LOSE IT!!!!!!**

UNFORTUNATELY OUR FOOTFALL IS FALLING  
AND WE ARE STRUGGLING

The Post Office pay a very low commission and  
NO SALARY

Therefore we need the shop side to improve  
to help keep the Post Office in the village.

We cannot support this from the farm side of our business

What we need are more regular customers

We wish to take this opportunity to thank our loyal customers for their  
continued support.

However, without an increase in retail customers  
we will not be able to provide this vital service.

From Pete, Gill and Laura

I am pleased to announce that our Christmas Market Coffee Morning in November raised just over £600 with the sale of cakes, a raffle, books and jigsaws and all those items that the craft group and others had been busily making throughout the year. A special thank you to Barbara Pursey for all her efforts – her stall raised over £200 on its own!

Also at the Coffee Morning we had our annual knitting and handicraft competitions which seemed to attract many more entries this year. The knitting competition was won by Mo Williams with a complicated cable design on a jacket made for her granddaughter and the handicraft competition was won by Wendy Froy for her beautifully embroidered muslin curtain depicting scenes from Sevenoaks, Kent where she used to live. Well done to both of you for your patience and perseverance in making these items!

We also held another coffee morning back in November so that the village could show their appreciation for the Mayo family who run the Village Shop and Post Office. This was extremely well-attended – the queue for tea and coffee was right outside the door at one point! A total of £600 was also raised at this event, which shows how much people in the village value this commodity.

Our Speaker for November was Derek March who gave an informative talk about Hawaii and in December we all enjoyed the fun and games of our Christmas Party, along with mulled wine and mince pies. Instead of the usual Secret Santa it was decided to make donations to the more in need at the Bridport Food Bank.

Around 50 people (members and partners) enjoyed a wonderful Christmas Dinner at Bridport Golf Club, ten members attended the group Carol Service at Martinstown, the Vice Presidents were invited to an Abba evening at Portesham and the Activities group decided to have a break from crafting and went out for afternoon tea in Abbotsbury instead! What an enjoyable month!

Our January meeting will see us deciding which one of five resolutions we would like to see going through to the next national WI campaign and we will also be holding our annual photographic competition entitled “Native British Trees” plus a quiz.

We are always looking for new members, especially from the younger generation, so do come and join us. Our January meeting is on Tuesday 7<sup>th</sup> at 2.15pm.
