## Ownership

Company buyouts; compulsory purchase schemes; hostile take-overs – you name it: it's all about *who* owns *what* - even if, like me, you may have more everyday things to think about.

Since legalising the purchase of council housing, *ownership* has almost always been understood to refer to money or other material property, joined at the hip with the much-vaunted desirables of self-sufficiency, self-reliance and self-determination. The notions of corporate or collective ownership are increasingly alien to our Western culture where, in order to really own something, someone else may not.

With the increase in “on-line” living, this notion has taken on a very sinister turn described, recently, in a book by Shoshana Zuboff <sup>1</sup> upon which she was questioned in the news media. <sup>2</sup> She makes a connection between the raw, exploitative power and ownership exercised by the “tech. giants”, and their use and analysis of *our* digital data; all for the purposes of predicting our future commercial behaviours. She describes how, while believing we are enlightening ourselves by enjoying rich sources of free information we are, in fact, feeding the rapacious algorithms which will determine our future spending patterns – and ensnare us within them.

“Once we searched Google, but now Google searches us. Once we thought of digital services as free, but now surveillance capitalists think of us as free <sup>2</sup> (and therefore ownable).”

Who owns whom? Who owns what?

“Ownership” was one of those buzz-words which buzzed around on the Oxford Ministry Course back in the early ‘90s when I was preparing for ordination: you had to *own* your story and truth; the parish had to *own* its practices and worship space - or whatever it may be. I did once meet a disgruntled retired archdeacon while ministering on a cruise ship who, recalling the number of times prayers and the faithful had referred to “*Our Archdeacon*” unguardedly retorted, “...and who wants a \*\*\*\*\* Archdeacon anyway?” I think it was something to do with authenticity then, defining a sense of responsibility or validating association, rather than a matter of crude (financial) possession.

By and large, the Church of England has, on one level, navigated the pitfalls of believing itself party to selective or selected ownership, despite the efforts of some from both within and without to act as if the opposite is true. Constitutionally within democracy, it's hard-wired never to be. That's one reason I try to stay faithful to my priestly calling within it.

Standing as we are on the threshold of another Lent, we can link arms with the Lord of the Desert who, despite being tormented for his own basic survival, still declined to claim to own things. “Jesus said ....., ‘Foxes have holes, and birds of the air have nests; but the Son of Man has nowhere to lay his head.’”<sup>3</sup>

Much of Western Christianity’s history, as Fr. Richard Rohr points out, has staked ownership of specific God descriptions, including that Jesus and God are somehow separate; or that Christianity and Judaism are separate. Our faith-history has tried to claim ownership of ideas and teachings. But for now, for Lent, as we look at political divisiveness whipping across the world, our comfort may be found in his suggestion for prayer:

“Truly great ideas, like the dynamic union of humanity and divinity in Jesus, are invariably slow in coming, because the normal mind prefers to think in static dualisms. It allows us to take clean sides and argue from supposedly pure positions. Only **contemplative prayer** can overcome such splits and artificial separateness.”<sup>4</sup>

## Announcement from the Bishop of Sherborne

The Bishop of Sherborne and Sir Philip Williams, Patron, are delighted to announce the appointment of the Revd Jane Williams as the next Rector of the Benefice. Jane is currently Assistant Curate in the Wareham Team in this diocese. Here she has gained much experience of a mixed benefice embracing town and villages with a variety of worship styles, formal and informal and has been involved in ministry to all ages, both pastoral and outreach to those in the community outside of church. She had a career in the NHS as a Senior Nurse Manager and Hospital Matron at Swanage and Wareham Community Hospitals before training for ordination at Ripon College, Cuddesdon. Jane has a passion for rural ministry and she and her husband Nigel are very much looking forward to moving to the Bride Valley in the summer once Jane has completed her curacy. It is hoped her licensing will take place sometime towards the end of July.’

Bride Valley Benefice extend a warm welcome to Jane and Nigel and hope they will enjoy their new home and friends, working and worshipping with us in the Bride Valley.

Representing all the Valley villages, the Bride Valley Gardening Club starts its 2019 season on **Monday March 18<sup>th</sup> at 7.30p.m in the Village Hall at Puncknowle**, when we will be having a talk on Pest and Disease Control.

We usually meet on the **3<sup>rd</sup> Monday of each month** between March and October (except in August, when there is no meeting and this year the **May meeting is on the 2<sup>nd</sup> Monday**). Annual subscription for members is **£6** and visitors are very welcome at any of our meetings for a cost of **£2**.

**Dates to note:** On **April 15<sup>th</sup>** our meeting will begin with a short AGM, followed by Cyril Whitlock talking about 'Gardening for Competitions'. **The Flower and Produce Show will be at LATCH on Saturday June 29<sup>th</sup>.**

### **Jobs to Do in March**

Plant out hardy perennials and spring bedding; start summer bulbs and tubers in pots. New plants can be made by taking basal cuttings from clump-forming perennials or by dividing over-grown clumps.

Begonias can be propagated by taking leaf cuttings. Deadhead early bulbs as soon as the flowers fade. Prune buddleia and elder. Feed and water amaryllis plants after flowering. Sow hardy annuals. In the vegetable garden (if the weather is mild enough) sow broad beans, Brussels sprouts, parsnips, lettuce, peas, spinach and radishes; plant onion sets, shallots and first early potatoes if the conditions are good enough. Protect vulnerable young plants with fleece or cloches if the temperatures drop.

**Cilla Jones (Secretary) 898473**

## Bride Valley WI

The WI meeting for February is our AGM and has been changed to the 4<sup>th</sup> Thursday because of Half-term so there will be a report on that in April's BVN. The meeting in March (back to 3<sup>rd</sup> Thursday, 21<sup>st</sup> March) will be Spring Crafts and seasonal food tasting.

Our Skittles team have had a very successful season in the WI County tournament and are about to play in the semi-finals for the first time. Well done to all of the ladies especially as this is only the second year of taking part.

New members to our WI are very welcome and the first meeting is free so you can come and meet us and get an idea what our WI is like and what activities we organise. We meet on the 3rd Thursday of the month at Puncknowle Village Hall unless our activities take us out .

## OUR NIGHT SKY IN MARCH 2019

Mars will be setting in the North West about 2300, and will have lost much of its brightness that we enjoyed during the past year. Jupiter will be brilliant in the morning sky about 0300, followed by the fainter Saturn, with Venus making an appearance in the early dawn sky, but its brilliance being lost as the Sun rises.

The Chinese have been very much the slowest in the space race, but they achieved an astonishing first last month by landing a roving space probe Change 4 on the far side of the Moon, something never before attempted by any other nation. There could be no direct link with Earth, because the far side of the Moon always points away from us; however, the Chinese placed another space relay station in a position that is permanently able to see both the Rover and Earth's control station.

The far side of the Moon has a number of qualities that make it attractive. The first is that the moon itself shields that side from the plethora of radio and television signals emanating from Earth, which make radio astronomy so difficult on our planet, and there is now a very real possibility that a large radio telescope will be built on the far side of the Moon. The space probe also carried a micro biome to see if a future manned station could be self supporting. It included seeds of vegetables which if they germinated and grew successfully, would provide oxygen for fruit flies. They in turn would provide Carbon Dioxide for the plants as well as fertiliser when they died, a system intended to be self sustaining, to mimic a human Moon station.

Although some seeds grew initially, they subsequently died, whether because of the harsh temperature changes or the intense solar radiation has not been established. Regardless of this disappointment, the Chinese achievement cannot be over estimated. It is hoped that like all other countries in the space field, the Chinese will share their scientific findings with the rest of the World. I hope to pass on some of these findings in later articles.

### **The Eclipse of the Moon**

I wonder how many of you were fortunate enough to see the eclipse of the Moon the other night. Here in Dorset, we are not only blessed with a Dark Sky policy in our Village, but also the clouds parted and I was able to see the complete eclipse, unhindered by a single cloud. During totality, the lower half of the moon went a deep red as if it was a glowing coal fire, while even the faintest and closest stars to it were clearly visible. It made up for the clouded out summer eclipse, even though it was at a more unfriendly hour!

# THORNER'S CE VA SCHOOL

We had an **Ofsted inspection!** The children, parents, staff and governors worked together fantastically well. The children were completely unfazed and very confident talking to the inspector and were complimented hugely.

The weather deteriorated in the last week of January and we had to close the school due to snow. The children say they had a great day off!

Litton and Chesil had an excellent time in the Discovery Area with activities led by a volunteer from the **RSPB**.

**Sport:** Our **netball** team played really well in the West Dorset finals but, sadly, did not win. Some Eggardon children are participating in after school **orienteering**.

Two **vicar candidates** toured the school as part of their interview day.

Since the start of term, the best behaved and most polite lunchtime table becomes **top table on Fridays**. The top table children get special tableware and service! The behavior at lunchtimes is generally very good but this incentive has made it even better!

**Teachers met parents** to discuss their children's progress.

**Bredy learn coding.**

## BURTON BRADSTOCK CE SCHOOL

I write this report at the end of a very busy first half of term.

We have had a few visitors into school this half term to support the children with their learning, focusing in particular on safety. Michelle Barry from the NSPCC led some assemblies and workshops on their 'PANTS' campaign on how to keep safe from abuse, Rosemary Locock delivered lessons on fire safety and the Safe Schools and Communities Team worked with our children on keeping safe online. The children continue to work hard and we were pleased to award our 'Star Learners' with their certificates this half term for outstanding attitude and effort in all that they do.

Our 'Green' day – raising awareness and fundraising for Tourette's Action – was a huge success. The children looked amazing in their 'green' clothes and accessories, with Breakfast club busy making green badges and flowers for the occasion! All children received a green 'Tourettes Action' wristband and also

watched a special message that a Tourettes Hero had sent to the school to thank us for our fundraising and raising awareness of tourettes. It was a fun, informative day which raised nearly £170 for this worthwhile charity.

The Friends of the School are busy organising the Annual Duck Race which will be taking place on Sunday 14th April this year on the village playing field. Following the disappointment of last year, where the ducks were unable to be raced due to the conditions of the river, we have our fingers crossed that this year the weather will be kind to us!

**The Grey Mare and her Colts** is a renowned megalithic chambered stone barrow, scheduled as an Ancient Monument, high on the South Dorset Ridgeway at the eastern end of Long Bredy. It is situated on the ancient path running from the Kingston Russell Stone circle past the Moot Stone, Hampton Hill Stone circle to the Hellstone at the top of Portesham Hill. It has been vandalised over the years but still has a well preserved earthen mound with some large megaliths still standing. The capstone is about 8 feet across and over a foot thick. Peter Knight describes it well in his book- Ancient Stones of Dorset.

### **VILLAGE BRIDE VALLEY NEWS DELIVERY**

You are reading this courtesy of volunteers who deliver the magazines throughout the village. A big thank you to them and especially to Bella Spurrier who receives the 230 copies each month from the printers and sorts them into six packages for delivery.

For many years Alison and Archie Dunbar and John, Tess and Kieran Mulhall have been a valuable part of the delivery team and have now retired – we offer them very many thanks for their service. If you would like to join the delivery team please contact Freddie Spicer (482617).

**Comings & Goings** Please let the Village Correspondent know of any comings and goings in the village so that we may welcome some and say goodbye to others in timely fashion.

## **Next Parish Council Meeting – Tuesday 12<sup>th</sup> March – 7.30 pm**

The meeting will be held at LATCH (Meeting Room). Local residents are actively encouraged to attend. With a number of local councils set to merge into one very shortly we will hear the latest news from the front. If you are thinking of becoming a local councillor the time is fast approaching when you will need to complete a nomination form. If that is your objective contact Parish Clerk, Maggie Walsh on 01308 281561 for more information. Also <https://twitter.com/NALC>

## **Litton's Premier Crew**

If, on occasion, you come across a band of local residents cleaning and tidying up areas of the village that have become somewhat unkempt then you have met the Premier Crew, a group of volunteers of both genders who lend themselves to smartening up our village when required. Huge grateful thanks for all their past, present and future efforts.

Many thanks also to the unknown lady who was seen with a bulging black bag of litter that she had removed from Whiteway. The Premier Crew have no objections if local residents on discovering an area/item that requires attention deprive the “crew” of a few hours work by completing the task themselves.

The ever growing Premier Crew are, in no particular order:- John Bloom, Jillie & Neil Blincow, Ron Davidson, Freddie Spicer, Andy King, Hugh Lantos, Graham & Madeleine Hickling, Andy & Ruth Price, Bill Orchard, Harry Berry, Pete & Beverly Dennis, Steve Kourik and John Firrell. This is not an exclusive club either by age or numbers so if you would like to join us please contact John Firrell whose contact details are shown at the beginning of the Litton Cheney section of the BVN.

## **Village Regeneration**

Plans are afoot to revitalise the area around the bus shelter and village triangle, including possibly deciding what use to put the telephone kiosk to when and if BT remove the telephone equipment. These are early days but it is hoped to produce a provisional idea of what might be possible in time for the Village Assembly in May when you will have an opportunity to comment.

## St. Michael and All Angels

What with all the winter village events recorded over the last few months, we have omitted (so far) to extend a greeting to **Rod and Carol Macaskill**, who moved before Christmas from Hampshire via a couple of years in Cornwall to come and live at Foxholes Farm Cottage (where their visiting grandchildren have already, not Surprisingly, pulled up with the Foot children next door).

So, with apologies to them for the delay, we welcome them to the village, and we hope their time among us will be long and happy. To give them a plug, Carol is a call centre manager for Hays Travel, “the UK’s largest independent travel agent” and no doubt would be glad to hear from anyone planning a holiday, if they contact the website and use the 01202 number.

Also, thanks to Dorset County Council, whose lorries scraped and salted the valley road within a few hours of the snowfall in February. With White Hill cleared it was possible to get in and out of the village with caution, and we seem to have fared a lot better than some other local Dorset communities. We should obviously be grateful for that.

LUNCH CLUB**

The lunch club is for all people aged 50+ who live or have lived in our 3 villages. It is a great social time with a beautiful meal as well. It would be good to see you join us every **3<sup>rd</sup> Tuesday of the month**. Please get in touch if you would like to come along. Our next meal will be on **19<sup>th</sup> March**. Anyone wishing to join us or those who have booked a meal and cannot make it please telephone David Buckland on 898492.

The meal is a choice of 2 main meals and 2 puddings finished off with cheese and biscuits, tea and coffee all for £5. We serve at 1 pm but most of our regulars come early for a great social get together. Hope to see you soon. Many thanks.

**BOOK GROUP            February meeting**

This month we had a very lively discussion of **The Truth About the Harry Quebert Affair by Joel Dicker**.

Marcus Goldman is a young writer whose first book becomes a massive bestseller. Trying to write a second book he has a bad case of 'writer's block' so goes to stay with his mentor Harry Quebert at his beach house in Goose Cove, Maine. But Harry is arrested after the body of a young girl who disappeared 33 years earlier (and with whom he had a secret relationship) is found on his property. Marcus is sure Harry is innocent and is determined to prove it. With a positive shoal of red herrings, a narrative that jumps back and forth in time and a slew of unreliable narrators,

this is quite a page turner. Dicker is young, Swiss and this is his first novel – he used to holiday in Maine with an uncle so knows the area well. The original French version was a bestseller in Europe and won several prizes. Members were split on its merits – we all felt it was overlong (700p) and rather repetitive. One member thought it the worst book she had ever read, another gave up after spotting a continuity error. Two of us thoroughly enjoyed its black humour and filmic quality (it was made into a mini-series in the US shown last December) and would read more by this writer. We did wonder how much the translation had affected its literary qualities.

Michele Vassar

Our next meeting is on **Wednesday 6 March at 7.30 in The Crown** when we are looking at **Under a Pole Star by Stef Penney**.

### **Holy Trinity Church, Swyre**

The Holy Trinity Church was almost full with people who came to enjoy a wonderful afternoon of classical guitar duets by Colin Thompson and Anthony Dodds on 20 January.

The programme included pieces from across five centuries and was in two halves, with mulled wine served in the interval.

We would like to say a huge thank you to Colin and Anthony for their superb playing, and to everyone who came and made such a successful and enjoyable fund raising event for the church

## Christmas Quiz

This is growing more popular every year! There were 13 correct entries this year to go into the hat; Ruth and David Cullingford were the winners. The quiz raised **£183.00**, which will be shared between funds for the village hall, playing field and St. Peter's Church.

Thank you, Caddy, for organising this. There is a rumour that this year's Christmas Quiz is already organised!

## Village Coffee Break and Frugal Lunch

There will be a 'Second Saturday Coffee Break' on Saturday, March 9th, between 10.30 am and 2.00 pm in the village hall. Coffee and biscuits/cakes/scones will be available all the time, with home-made soups, breads and cheeses available from 12.30 pm onwards.

Pop in for a coffee, buy a cake or savoury to take home or come for lunch and a chat.

There will be no charge but donations will go to Gully's Place.

Gully's Place is part of Kingfisher children's ward at Dorset County Hospital. It supports children with life limiting or life threatening illness, and their families, from diagnosis to death, and beyond, including bereavement support.

A good number of people all ages enjoyed the February 'Second Saturday Coffee Break' and it provided a good opportunity for chatting and catching up with friends and neighbours. The table tennis provided some fun for children and adults alike.

### May Plant Sale

The 'Second Saturday Coffee Break' in May will be combined with a plant sale. If you are sowing seeds, taking cuttings or splitting plants and could keep a few extra for the sale, they will be gratefully received. As it will be much warmer by then and almost time to plant out more tender plants, we hope to be able to sell summer bedding plants.....geraniums, lobelia, begonias etc as well as herbs and vegetable plants.

### ST MARTIN'S CHURCH

#### Friends of St Martin's

We are planning to set up a 'Friends of St Martin's' group.

The church has a small PCC (Parochial Church Council) which undertakes the work required to

look after the church, facilitate regular services and run or take part in village social events throughout the year.

Our PCC is looking for people to help us set up for services, serve coffee afterwards and/ or be involved with other social events in the village. We are a small, friendly group and would really value your contribution, regular or occasional and whether you're a regular church attender or not. Please see contact details below.

Our PCC would also welcome more members. For more information, please contact Sheena Hall 01308 897776 or Cathryn Johnson 01308 897169

**The Annual Parochial Church Meeting will be held in the church on Tuesday 26<sup>th</sup> March at 7.30.**

The Parochial Church Council is elected at this meeting and a report is given on activities over the past year. Please join us to find out more and give us your support.

#### ST MARTIN'S FLOODLIGHTS

We were driving from Uploaders recently, on a very cold frosty night and from way across the fields we could see St Martin's tower all lit up. It really was breath taking, so thank you to all those folks who generously sponsor the floodlights.

**For this month we thank:**

**Chris & Ruth Nunn**

**Barbara Willy in memory of David**

**Janet, Caroline and Faith Epplestone remembering John on his birthday on 4<sup>th</sup> March and remembering Bee for hers, on 9<sup>th</sup> March.**

**Diane James in memory of her mother's birthday**

**Lyn Grace in memory of Tom.**

If you would like to light up St Martin's for a special occasion or a fond memory, sponsorship is just £5. You can contact me on Tel. No. 01308 898657.

Should you want your occasion mentioned in the BVN for the appropriate month, please let me know in good time for the magazine's submission date which can be found on in the inside page. Our sponsor's names are also posted in the church porch unless of course, they wish to remain anonymous.

## **PARISH COUNCIL**

The next **Parish Council Meeting** will be held on **Wednesday 13<sup>th</sup> March 2019 at 7.30pm in the village hall** and as usual everyone is most welcome to attend.

Our CPR/Defibrillator training session went well with people from Shipton and other hall users taking part. Donations received from those attending covered the cost of the training provided by Exe Training Solutions.

**In May this year elections for a new Parish Council will be held.** Some existing councillors are not standing for re-election so we will have vacancies and so would welcome nominations from anyone in the village who is interested in getting involved with the Parish Council work. An election will be held if 10 or more people come forward to stand as councillors. The present council has achieved and provided a number of benefits for the village during past four years including –

**The provision of a Public Defibrillator that is located outside the village hall**

**Maintenance of our Playing Field and provision of new play Equipment**

**Overseeing and consulting on the re-opening of Cuckoo Lane following a landslide**

**Continuing to contribute towards the upkeep of St Martin's Churchyard**

**Organising the annual Litter Pick and Village Tidy-Up Day each Spring**

**Giving the village's view on planning applications in the parish  
Providing an Emergency and Resilience Plan for the village**

**Liaising with Dorset County Council to ensure our highways and footpaths are maintained**

**The ownership and maintenance of the Village Green, including changing our obsolete telephone kiosk into a Book Exchange and Information Centre**

**Providing and maintaining the village website - [www.shiptongorge.org.uk](http://www.shiptongorge.org.uk)**

But we can only continue to do this work if people come forward to stand as Parish Councillors, so please consider if you can help us by getting involved. Nomination forms need to be submitted by **3rd April** and are available now from the parish clerk, **Paula Biss**, [clerk@shiptongorge.org.uk](mailto:clerk@shiptongorge.org.uk)  
**01308 898189**

**Litter Pick and Village Tidy-Up Day** will take place this year on **Saturday 13th April at 11.00am meeting outside the New Inn.**

Gloves, litter pickers, rubbish bags and safety tabards are provided. Please come along and help get our village spick and span before the Easter holiday.

**Mary Boughton**

## **NEW INN**

### **Cribbage knockout**

**Thursday 7th March From 7.30pm**

When was the last time you played cribbage? No matter how long ago, why not come along for the evening knockout competition in both singles and doubles. Everyone is welcome. £1 to enter. Cash prize for the winner/s.

### **NEW INN SUPPORT LIMITED**

It's been a busy time for us at NISL as we manage the interim arrangements until a new tenant can be found. Our primary objective has been to keep the New Inn open for business which we are doing from Wednesday to Saturday (18:00 – 22:00) and Sunday (12:00 – 17:00).

Should you choose to visit us you'll find the happy smiling faces of Tim and Natalie pulling your pint or recharging your wine glass. We're grateful to them for stepping in at short notice, as we are to the team of volunteer cleaners under Sally's supervision who made the pub sparkle before we reopened.

John Kent has been working hard with Ed Buck to reboot the Friends of the New Inn (FONI), John saving the Six Nations day by organising a licence and reconnecting the TV - we're showing all the games by the way!

Our Wednesday Night Ladies Darts Team are back in harness and beating all opposition, the Skittlers also compete on a Wednesday and we've had an impromptu Community Cheese Board on a Friday. Alex held his first quiz of 2019. It's fair to say that the atmosphere at the New Inn has been special as the Community pulls together.

Look out for our 'What's On' posters with details of our activities. A gig featuring Sacrificial Sam and Elfantale in support of the Dorset and Somerset Air Ambulance is planned for a Saturday in March, date to be confirmed.

### **FRIENDS of the NEW INN (FONI)**

On behalf of FONI we would like to acknowledge some unsung heroes working tirelessly behind the scenes.

So it's a massive thank you to Ashley, Caroline, Sally, Heather and Chairman of NISL Eric!

## SHIPTON GORGE HEDGEHOG GROUP

Following a meeting on 30<sup>th</sup> January Shipton Gorge has been accredited with Hedgehog Friendly Village status by the Dorset Mammal Group. Thankyou to everyone who participated in this project. If you are interested contact [shiptonhedgehogs@icloud.com](mailto:shiptonhedgehogs@icloud.com)

## SHIPTON GORGE VILLAGE HALL - ANNUAL GENERAL MEETING

This will be held at **7.30 pm on Wednesday 10th April**. As well as providing information on what's been happening at the hall over the past 12 months and a review of its financial position, there will also be an election of trustees to the Hall management committee. If you are interested in learning more, and perhaps joining the committee, please come along.

The AGM will be followed immediately by the first business meeting of the new committee.

All are welcome to attend, with refreshments beforehand from 7pm.

'Church Action on Poverty Sunday' takes place each year on the last Sunday before Lent, which this year is **March 3rd** and so this will be the theme for our Songs of Praise service that day. It will be led by Revd Edward Tildesley. As usual the service starts at the convenient time of 10.30am and will last about one hour with six uplifting hymns, Bible readings and followed by a time for refreshments to which all are welcome.

The next Songs of Praise service will be on **Sunday 7th April at 10.30 am**, 'Passion Sunday', and it will be led by Revd Prebendary Alastair Wheeler. Come and join us for these inspiring services.

## BURTON BRADSTOCK VILLAGE SOCIETY

Our next talk will be on **Friday March 15th at 7.30pm** in Burton Bradstock Village Hall. Ian Caskie, an ex-Head Teacher and now a volunteer with the **SS Great Britain Trust** will tell us about 'SS Great Britain: from launch to 're-launch'.

Brunel's SS Great Britain was a true wonder of the Victorian Age. She was the first ocean-going steamship with an iron hull, and the first driven by a propeller. This extraordinary ship, launched in 1843 as the largest and fastest afloat, transformed shipbuilding and sea travel for ever.

Ian's enthusiasm for his subject is clearly evidenced in this illustrated talk which tells the ship's remarkable story from her original design through the different phases of her working life. It also describes her remarkable salvage and return to Bristol in 1970, and finally her restoration, preservation and 're-launch' as a multi-award winning museum of International renown.

Do come along and hear about one of the wonders of British 19th Century engineering. Members pay just £1 on the door and non-members/guests £4.

**A reminder that the date of this year's Flower and Produce Show has been changed to Saturday July 20th.**

The new date coincides with the 50th Anniversary of the first manned lunar landing, so get your pencils out and your creative cells working to win the Limerick Competition - 'Putting a Man on the Moon'. And remember to keep your cameras clicking for the Photographic Classes - 'People at Work' and 'Windows of Burton Bradstock'.

**The Village Society Outing this year will be on Wednesday 26th June to Sherborne.** As well as a tour of the sumptuous Castle there will be an opportunity to visit the Abbey and the Museum, ending with an afternoon cream tea in a private room. Registration for this popular annual event will commence at our Village Society talk on Friday 15th March.

### **BURTON BRADSTOCK WI**

The ladies of the Burton Bradstock WI have been out and about and enjoying themselves again!

At the end of January twenty-eight members met up for a very nice lunch at The Anchor in the village. We seemed to take over the whole pub and had a good time chatting and enjoying the wonderful food.

The walking group enjoyed a lovely Snowdrop Walk around Compton Valence, finishing up with lunch in the Village Hall there, where they were joined by several other members who had not been able to take part in the actual walk.

Indoor Kurling has been going well - so much fun! Unfortunately we were not able to get a team together for the Dorset District Competition due to people having other commitments but we will keep practising and hopefully be on top form for next year!

In March our speaker will be Alex Bishop, our local Police Community Support Officer. He will be talking about Scams and Internet Safety, two very important issues these days.

On 13th March we shall be running the Coffee Stop in the Village Hall from 10 until 12 o'clock. Do please come and support us. The WI are well known for their cakes and there will be plenty available!

We are also looking forward to a trip to the Fashion Museum in Bath on 20th March. They are currently showing a collection of costumes worn by such Royals as Queen Elizabeth the Queen Mother and Princess Margaret. There will probably also be time for a little shopping, tea at Sally Lunns, or even just a bath bun before our return.

All the Activity Groups will be meeting during March, the dates for which can be found on our noticeboard outside the Village Hall.

Do come and join us. We meet on the **second Tuesday of the month at 7.30 pm (2.15pm during the Winter months).**

We have a full programme of speakers throughout the year plus outings, theatre trips, meals out, reading, walking and activity groups, card players, Mah Jong, Indoor Kurling and Skittles!!

**Something for everyone.**

**THE 38th YEAR OF THE BURTON BRADSTOCK FESTIVAL**

**August 10th to the August 18th 2019 (Music and Art)**

We enter 2019 facing a time of political uncertainty, but life, music and art go on. We are happy to announce that the 38th Year of the Burton Bradstock Festival will go ahead no matter where our European allegiances finally settle. We are definitely non-partisan and our only aim is to bring you the best possible village festival in the region.

If you have yet to experience the wonder of this festival then make 2019 your golden opportunity to really sample performances from internationally respected musicians at the top of their careers. We bring a family of musical talent to your doorstep, you would need to travel to a major city to experience performances of this calibre. The range of music on offer encompasses well known and best loved classical music by famous composers alongside new and exciting pieces you may not have heard before - some receiving their world premier at the festival. We also feature nights of Jazz and World Folk Music. There really is something for everyone.

Appearing at the Festival in 2019 –  
Kabantu :

A call to interested parties, patrons, sponsors and volunteers. This Festival is organised and run by volunteers on a 'not for profit' basis. In this way we can keep costs to a minimum and also serve our charitable aims. To ensure that the Festival maintains the quality and consistency our audiences have come to expect we need help.

**We are particularly looking for additional volunteers to join the catering team and the stage building crew. email : [william\\_cain@icloud.com](mailto:william_cain@icloud.com) for more information.**

If you would like to become a Friend of the Festival **email Chris Sundt email [sundtc@echini.co.uk](mailto:sundtc@echini.co.uk) for details.** It's the same address if you would like to sponsor one of concerts. We hope to see you at the Festival this year ... come and see for yourself what it has to offer.
